NOTICE OF SPECIAL MEETING OF STOCKHOLDERS

May 13, 2024
4:30 p.m. Eastern Time
www.proxydocs.com/STEP

To Our Stockholders:

We are pleased to invite you to attend a Special Meeting of Stockholders of StepStone Group Inc. (“StepStone” or the “Company”) on May 13, 2024, at 4:30 p.m., Eastern Time, online via live audio webcast by visiting www.proxydocs.com/STEP (the “Special Meeting”) for the following purposes:

1. To approve, for purposes of complying with NASDAQ Listing Rule 5635, the issuance of shares of the Company’s Class A common stock issuable pursuant to the terms of the Transaction Agreements, each dated February 7, 2024 (the “Transaction Agreements”), between the Company and the other parties thereto, or related exchange agreement (“Proposal 1” or the “Nasdaq Proposal”); and
2. To transact other such business as may properly come before the Special Meeting or any adjournment or postponement thereof.

The Company’s Board of Directors (the “Board”) believes that the approval of the Nasdaq Proposal is advisable and in the best interests of the Company and its stockholders and recommends that you vote FOR the proposal.

We will hold the Special Meeting as a virtual meeting held entirely over the internet. We believe that conducting the Special Meeting as a virtual meeting is the right choice for StepStone as it provides expanded stockholder access regardless of the location of the Special Meeting or resources available to stockholders, may improve communications, and allows the participants to attend the Special Meeting conveniently from any location.

Stockholders of record as of the close of business on March 22, 2024 are entitled to notice of, and, as described in this paragraph, to vote at, the Special Meeting, or any adjournment or postponement thereof. Holders of our Class A common stock are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders. Holders of our Class B common stock are currently entitled to five votes for each share held of record on all matters submitted to a vote of stockholders. Holders of our Class A common stock and Class B common stock will vote together as a single class on all matters presented to our stockholders for their vote or approval, except as otherwise required by applicable law.

As permitted by the Securities and Exchange Commission (“SEC”), we are providing access to our proxy materials online under the SEC’s “notice and access” rules. As a result, unless you previously requested electronic or paper delivery on an ongoing basis, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) instead of a paper copy of the proxy statement and a form of proxy card or voting instruction card (together, the “proxy materials”). The Notice contains instructions on how to access the proxy materials online. The Notice also contains instructions on how stockholders can receive a paper copy of our proxy materials. If you elect to receive a paper copy, our proxy materials will be mailed to you. This distribution process is more resource and cost-efficient. The Notice is first being mailed, and the proxy materials are expected to be made available, to our stockholders on or about April 2, 2024.

INFORMATION ABOUT THE SPECIAL MEETING AND VOTING

This proxy statement is being provided to you in connection with the solicitation of proxies by our Board for use at the Special Meeting to be held on May 13, 2024 at 4:30 p.m. Eastern Time, or at any adjournments or postponements thereof.

1. Where is the Special Meeting being held?

Our Board has determined that the Special Meeting should be held online via live audio webcast at www.proxydocs.com/STEP in order to permit stockholders from any location with access to the Internet to participate.

2. What proposal will be addressed at the Special Meeting?

Stockholders will be asked to consider the following proposal at the Special Meeting:

1. To approve, for purposes of complying with NASDAQ Listing Rule 5635, the issuance of shares of the Company's Class A common stock pursuant to the terms of the Transaction Agreements dated February 7, 2024, or related exchange agreement ("Proposal 1" or the "Nasdaq Proposal").

Additionally, stockholders are entitled to vote on such other business as may properly be presented at the Special Meeting or any adjournment or postponement thereof. We are not aware of any matters to be voted on by stockholders at the Special Meeting other than those included in these proxy materials. If any matter is properly presented at the Special Meeting, your executed proxy gives your proxy holder discretionary authority to vote your shares in accordance with their best judgment with respect to the matter.

3. Who can vote at the Special Meeting?

Stockholders of record as of the close of business on March 22, 2024, the record date, are entitled to participate in and vote at the Special Meeting. Pursuant to our amended and restated certificate of incorporation (the "certificate of incorporation"), holders of our (i) Class A common stock are entitled to one vote per share on all matters submitted to a vote of stockholders; and (ii) Class B common stock are entitled to five votes per share on all matters submitted to a vote of stockholders. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement. Under certain circumstances in the future, the voting rights of the Class B common stock may change to one vote per share. Those circumstances, which are set out as a "Sunset" in our certificate of incorporation have not yet occurred.

As of the record date, there were 64,221,399 shares of our Class A common stock and 46,314,543 shares of our Class B common stock issued and outstanding. Pursuant to our certificate of incorporation, holders of Class A and Class B common stock are not entitled to cumulative voting.

4. What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

- *Stockholder of Record.* If (i) your shares of Class A common stock are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company LLC, or (ii) you hold shares of Class B common stock, you are considered the stockholder of record with respect to those shares, and the proxy materials were sent directly to you by the Company.
- *Beneficial Owner of Shares Held in Street Name.* If your shares of Class A common stock are held in an account at a brokerage firm, bank, dealer, custodian or other similar organization acting as nominee (each referred to as a "broker"), then you are the beneficial owner of shares held in "street name," and the proxy materials were forwarded to you by that organization. The organization holding your account

is considered the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. Those instructions are contained in a “vote instruction form.”

5. How can I attend, participate in and vote at the Special Meeting online?

Stockholders of record and beneficial owners of shares of our common stock as of the record date may attend and participate in the Special Meeting, including voting and asking questions during the virtual Special Meeting, by registering in advance of the Special Meeting at www.proxydocs.com/STEP.

The Special Meeting will begin at 4:30 p.m. Eastern Time on May 13, 2024. Access will begin at approximately 4:15 p.m. Eastern Time, and we encourage you to provide sufficient time before the Special Meeting begins to check in. As mentioned above, in order to attend the Special Meeting, you must register in advance of the meeting at www.proxydocs.com/STEP. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you access to the Special Meeting and to vote and submit questions during the Special Meeting. As part of the registration process, you must enter the control number located on your proxy card, voting instruction form, or Notice. If you are a beneficial owner of shares registered in the name of a broker, bank or other nominee, you will also need to enter your uniquely assigned control number at www.proxydocs.com/STEP as part of the registration process.

If you were a stockholder as of the close of business on March 22, 2024, the record date, you may vote shares held in your name as the stockholder of record or shares for which you are the beneficial owner but not the stockholder of record electronically during the Special Meeting through the online virtual Special Meeting platform by following the instructions provided when you log onto the online virtual Special Meeting platform. Before the Special Meeting, you may vote:

- By mail, by completing, signing, and dating your proxy card (if applicable).
- Online at www.proxypush.com/STEP
- By telephone, at 1-866-307-0862.

Stockholders may submit questions during the Special Meeting at the meeting website. More information regarding the question and answer process, including the number and types of questions permitted, and how questions will be recognized and answered, will be available in the meeting rules of conduct, which will be posted on the Special Meeting platform. Technicians will be ready to assist you with any technical difficulties you may have accessing the Special Meeting. If you encounter any difficulties accessing the virtual-only Special Meeting platform, including any difficulties voting or submitting questions, you may call the technical support number that will be posted in your instruction email that you will receive upon registration for the Special Meeting.

Whether or not you plan to attend the Special Meeting online, we encourage you to fill out and return the proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

6. How does the Board recommend that I vote?

Our Board recommends that stockholders vote “**FOR**” the approval of the Nasdaq Proposal.

7. How many votes must be present to hold the Special Meeting?

In order for us to conduct the Special Meeting, a quorum, consisting of a majority of the voting power of the stock outstanding and entitled to vote at the Special Meeting, must be present or represented by proxy.

[Table of Contents](#)

Abstentions are counted as “shares present” at the Special Meeting for purposes of determining whether a quorum exists. Proxies submitted by brokers or other holders of record holding shares for you as a beneficial owner that do not indicate a vote for the proposal because that holder does not have voting authority and has not received voting instructions from you (so-called “broker non-votes”), if any, are also considered “shares present” for purposes of determining whether a quorum exists. If you are a beneficial owner, these holders of record may in some cases vote your shares in their discretion, but are not permitted to vote on certain proposals and may elect not to vote on the proposal unless you provide voting instructions. If a quorum is not present, the Special Meeting may be adjourned or postponed until a quorum is obtained.

8. What is a proxy card?

The proxy card enables you to appoint Jason Ment, Jose Fernandez and Jennifer Ishiguro as your representatives at the Special Meeting. By completing and returning the proxy card, you are authorizing such persons to vote your shares at the Special Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Special Meeting. Even if you plan to attend the Special Meeting, it is strongly recommended that you complete and return your proxy card before the date of the Special Meeting in case your plans change. If a proposal comes up for vote at the Special Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

9. Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide, or have not already provided, a proxy.

Your shares may be voted under certain circumstances if they are held in the name of a broker. Brokers generally have the authority, but are not required, to vote shares not voted by customers on certain “routine” matters, and are prohibited from exercising discretionary authority on non-routine matters. Whether a proposal is considered routine or non-routine is subject to stock exchange rules and final determination by the stock exchange. There are only “non-routine” matters on the agenda for the Special Meeting. Therefore, it is critical that you indicate your vote on this proposal if you want your vote to be counted.

10. What vote is required for the Nasdaq Proposal?

Approval of the Nasdaq Proposal requires the affirmative vote of at least a majority of the voting power of the stock present or represented by proxy and entitled to vote on the subject matter, voting as a single class.

11. Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Special Meeting. You may revoke your previously delivered proxy and vote again by signing and returning a new proxy card or voting instruction form with a later date or by attending the Special Meeting online and voting. Your attendance at the Special Meeting online will not automatically revoke your proxy unless you vote at the Special Meeting or specifically request that your prior proxy be revoked by delivering to the Company’s Chief Legal Officer & Secretary at 277 Park Avenue, 45th Floor, New York, New York 10172, a written notice of revocation prior to the Special Meeting.

Please note, however, that if your shares are held of record by a broker, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee.

12. What happens if I do not indicate how to vote my proxy?

If you sign your proxy card without providing further instructions, your shares will be voted “**FOR**” approval of the Nasdaq Proposal.

13. Where do I find the voting results of the Special Meeting?

The final voting results will be tallied by the inspector of election and published in the Company's Current Report on Form 8-K, which the Company will file with the SEC within four business days following the Special Meeting.

14. Who bears the cost of soliciting proxies?

The Company will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to solicitations by mail, the Company, through its directors and officers, may solicit proxies in person, by telephone or by electronic means. Such directors and officers will not receive any special remuneration for these efforts.

PROPOSAL 1 – APPROVAL OF THE ISSUANCE OF SHARES OF OUR CLASS A COMMON STOCK UPON EXCHANGE OF CERTAIN UNITS, IN ACCORDANCE WITH NASDAQ LISTING RULES

Background

As more fully described below, we are submitting this proposal to you in order to obtain stockholder authorization under Nasdaq Listing Rule 5635 (i) if, pursuant to the terms of the Transactions (as defined below), we issue shares of our Class A common stock (the “Shares”) in connection with the acquisition of another company’s stock or assets requiring stockholder approval under Nasdaq Listing Rule 5635(a); (ii) if issuance of the Shares in the Transactions constitute a change of control within the meaning of Nasdaq Listing Rule 5635(b); (iii) if issuance of the Shares in the Transactions is deemed equity compensation within the meaning of Nasdaq Listing Rule 5635(c); or (iv) if the Shares issued or issuable in the Transactions represents 20% or more of our outstanding common stock in a manner requiring stockholder approval under Nasdaq Listing Rule 5635(d).

Summary of the Transaction Agreements

On February 7, 2024, the Company and StepStone Group LP, a Delaware limited partnership (the “Partnership”) entered into three transaction agreements with the Company’s subsidiaries: SRE, SIRA and SPD (each, as defined below), that will enable the Company to own all of the outstanding equity interests of these subsidiaries (collectively, the “Transaction Agreements”):

- a Transaction Agreement with StepStone Group Real Estate LP, a Delaware limited partnership (“SRE”), Jeffrey Giller, solely as Asset Class Head, and the sellers thereto (the “SRE Sellers”),
- a Transaction Agreement with StepStone Group Real Assets LP, a Delaware limited partnership (“SIRA”), James O’Leary, solely as Asset Class Head, and the sellers thereto (the “SIRA Sellers”), and
- a Transaction Agreement with StepStone Europe Limited, a private limited liability company incorporated in England and a wholly-owned subsidiary of the Company, Swiss Capital Alternative Investments AG, a private company limited by shares incorporated in the canton of Zurich (“SPD” collectively with SRE and SIRA, the “Asset Class Entities”), Marcel Schindler, solely as Asset Class Head, and SC Partner LP, a Cayman Islands exempted limited partnership (the “SPD Seller” and collectively with the SRE Sellers and the SIRA Sellers, the “Sellers”).

The Transaction Agreements provide for, among other things and subject to the terms and conditions therein, the exchange of the Sellers’ equity interests in SRE, SIRA and SPD, as applicable, for a combination of (i) newly created Class D equity interests in the Partnership with terms substantially similar to the Partnership’s existing Class C Units, in the case of SRE and SIRA (the “Unit Consideration”) or Shares, in the case of SPD (such shares, the “SPD Stock Consideration”) and (ii) cash, in each case of clauses (i) and (ii) up to ten (10) annual exchanges (increased to up to fifteen (15) annual exchanges in certain circumstances in the case of the SIRA Sellers). The portion of the equity interests to be acquired in each annual exchange is set forth in an exchange schedule attached to each Transaction Agreement and is approximately 5% of each Asset Class Entity on each contemplated annual exchange date. The amount of consideration to be delivered will be calculated using exchange ratios determined each year based on a formula establishing an assumed value of each Asset Class Entity based on its estimated adjusted net income, relative to an adjusted trading multiple for the Shares relative to the Company’s estimated adjusted net income.

Pursuant to each Transaction Agreement, and subject to receipt of required regulatory and other approvals, the consideration for the first exchange will be calculated using a reference date of April 1, 2024 (the “Initial Reference Date”) and the first exchange will be consummated promptly following the Initial Reference Date upon the satisfaction or waiver of the conditions set forth in such Transaction Agreement applicable to the first exchange, including publication of the Company’s audited financial statements for the fiscal year ending March 31, 2024. The Transaction Agreements also provide for up to nine (9) subsequent annual exchanges (or up to fourteen subsequent exchanges in certain circumstances in the case of the SIRA Transaction Agreement), in

Table of Contents

each case with a calculation reference date of April 1 and consummation promptly following satisfaction or waiver of the conditions set forth in such Transaction Agreement, including delivery of audited financial statements of the Company. Each Transaction Agreement provides that beginning after the fifth annual exchange, future exchanges may be accelerated into one final exchange in certain circumstances.

The Company also has agreed in the Transaction Agreements to (i) enter into an exchange agreement (the “Exchange Agreement”) pursuant to which the Unit Consideration may be exchanged for the Shares (the “Exchange Consideration” and, together with the SPD Stock Consideration, the “Stock Consideration”) and (ii) enter into an amendment to its registration rights agreement on or prior to the closing of the first exchange to provide for the registration under the Securities Act of 1933, as amended (the “Securities Act”) of the Stock Consideration. The Transaction Agreements currently provide that no more than 75 million of the Shares will be issued as Stock Consideration, subject in certain circumstances to the Company’s option to increase such limit (the “Maximum Number of Shares”).

As used in this proxy statement, we use the term “Transactions” to refer to the transactions contemplated by the Transaction Agreements and the Exchange Agreement, including the issuance of shares of our Class A common stock to the SPD Sellers, the issuance of units of StepStone Group LP to the SRE Sellers and SIRA Sellers and the issuance of shares of our Class A common stock upon the exchange of such units. The consummation of the transactions contemplated by each Transaction Agreement is subject to customary conditions, including (i) the receipt of the approval of the Company’s stockholders at the special meeting to which this proxy statement relates; (ii) the receipt of required regulatory approval; (iii) the absence of any law or injunction preventing the consummation of the transactions contemplated by each Transaction Agreement; (iv) the completion of certain governance updates or reclassification transactions at the Asset Class Entities, and (v) the accuracy of the parties’ representations and warranties (subject to customary materiality qualifiers).

Each Transaction Agreement may be terminated by the parties to such Transaction Agreement under certain circumstances, including: (i) by mutual written consent of the Partnership, the Asset Class Head (or in the case of SPD, the SPD Seller) and the persons owning a majority of the equity interests of the Asset Class Entities (other than the Company and the Partnership) (the “Majority Holders”), and (ii) by either the Partnership or the Majority Holders, if any exchange has not occurred on or before the first anniversary of the applicable reference date (other than with respect to certain contemplated skipped exchanges).

Concurrently with the execution of the Transaction Agreements, the Class B Committee (the “Class B Committee”) under the Company’s Amended and Restated Stockholders Agreement, dated as of September 20, 2021, entered into a support agreement with the Company (the “Support Agreement”) pursuant to which the Class B Committee agreed to vote all of the shares of capital stock of the Company that the Class B Committee has a right to vote in favor of the transactions. The Support Agreement terminates upon the earliest to occur of (i) the receipt of the stockholders approval required by the Transaction Agreements, (ii) the closing of any exchange, (iii) the termination of any Transaction Agreement, and (iv) the mutual written consent of the parties. As of the record date, the Class B Committee had a right to vote a majority of the outstanding voting power of our common stock. As a result, we expect that at the Special Meeting a majority of votes will be cast in favor of the Nasdaq Proposal.

Why We Need Stockholder Approval

Our Class A common stock is listed on the Nasdaq Global Select Market of The Nasdaq Stock Market LLC (“Nasdaq”), and as a result, we are subject to Nasdaq’s Listing Rules. We are seeking stockholder approval in order to comply with Nasdaq Listing Rule 5635 and to fulfill our obligations under the Transaction Agreements.

Rule 5635(a)

Nasdaq Listing Rule 5635(a) requires us to obtain stockholder approval prior to any issuance of our Class A common stock (or securities convertible into or exercisable or exchangeable for shares of our common stock) in

Table of Contents

connection with the acquisition of another company's stock or assets if (i) the Class A common stock that we would be issuing in such transaction would (1) have voting power equal to or in excess of 20% of the voting power outstanding before such issuance or (2) would be equal to or in excess of 20% of the number of shares of common stock outstanding before such issuance or (ii) if any of our directors, officers or substantial stockholders have a 5% or greater interest, directly or indirectly, in the company or assets to be acquired or in the consideration to be paid in the transaction or series of related transactions and the potential issuance of common stock could result in an increase in outstanding shares or voting power of 5% or more.

Under the Transaction Agreements and the related exchange agreement, we will be obligated to issue shares of our Class A common stock in the Transactions, either upon the acquisition of equity interests in SPD or upon the exchange of Partnership units issued to acquire equity interests in SRE and SIRA, up to the Maximum Number of Shares. As a result, we have determined that stockholder approval may be required under Nasdaq Listing Rule 5635(a) for the issuance of such shares of Class A common stock.

Rule 5635(b)

Nasdaq Listing Rule 5635(b) requires us to obtain stockholder approval prior to an issuance of securities when such issuance would result in a change of control. Pursuant to applicable Nasdaq guidance, a change of control may generally be deemed to occur when an investor or a group would own or have the right to acquire 20% or more of the outstanding shares of common stock or voting power and such ownership or voting power would be the largest ownership position of the issuer. However, in determining if a change of control has occurred (and stockholder approval is required), Nasdaq will consider all circumstances concerning the transaction and may determine that a change of control has occurred even if the number of shares of common stock or voting power that an investor or a group have a right to acquire is less than 20%.

Because the issuance of shares of our Class A common stock pursuant to the Transactions will occur over a period of up to 15 years, we do not know whether one or more of these issuances may be deemed to be a change in control under Nasdaq Listing Rule 5635(b), however if we issue the Maximum Number of Shares, it is possible this could be deemed by Nasdaq to be a change of control. As a result, the Company is therefore seeking stockholder approval for purposes of complying with Nasdaq Rule 5635(b).

Rule 5635(c)

Nasdaq Listing Rule 5635(c) requires stockholder approval for the issuance of securities when a stock option or purchase plan is established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which shares of Class A common stock may be acquired by officers, directors, employees or consultants of StepStone Group Inc. Substantially all of the equity holders of the Asset Class Entities are, and will continue to be, actively engaged in the business of such Asset Class Entities and may now or in the future be considered officers, directors, employees or consultants of StepStone Group Inc. or its affiliates and consolidated subsidiaries. We believe the issuance of shares of Class A common stock to these persons will be in exchange for their equity interests, and will not be equity compensation within the meaning of Rule 5635(c). However, Nasdaq may deem all or a portion of any arrangement as compensatory in nature, particularly in circumstances where the value deemed received by a listed company is less than the fair value of listed securities. If Nasdaq were to deem all or a portion of the issuances in the Transaction to be compensatory, we note that the number of shares of Class A common stock to be issued to each person will be determined based on a formula set forth in the Transaction Agreements and exchange agreement. We do not know what the ultimate number of such shares will be at the time of each closing or exchange, relative to the value of any equity interests we acquire in the Transactions. As a result, the Company is seeking stockholder approval of the issuances for purposes of complying with Nasdaq Rule 5635(c).

Rule 5635(d)

NASDAQ Listing Rule 5635(d) requires stockholder approval prior to the issuance of securities in connection with a transaction, other than a public offering, involving the sale, issuance or potential issuance by

Table of Contents

us of Class A common stock (or securities convertible into or exercisable or exchangeable for our Class A common stock) equal to 20% or more of our common stock or voting power outstanding before the issuance, unless sold at a price equal to or great than the Minimum Price (as defined in the Rule).

As described above, we do not know what number of shares of Class A common stock will be issued pursuant to the Transactions, nor we do we know the relative value of any equity interests we will acquire in the Transactions, however the Maximum Number of Shares exceeds 20% of more of our outstanding shares of common stock. As a result, the Company is seeking stockholder approval of the issuances for purposes of complying with Nasdaq Rule 5635(d).

Consequences of Not Approving this Proposal

The Board is not seeking the approval of our stockholders to authorize our entry into the Transaction Agreements. The Transaction Agreements have already been executed. Additionally, the Class B Committee agreed to vote all of the shares of capital stock of the Company that the Class B Committee has a right to vote in favor in favor of the Transactions. However, the closing of the Transactions is conditioned upon receipt of the stockholder approval sought by this Proposal. The failure of our stockholders to approve this Proposal means that such condition will not be satisfied if the votes of the Class B Committee are insufficient to approve this Proposal. In that circumstance, we would not acquire the equity interests of the Asset Class Entities pursuant to the Transaction Agreements.

Reasons For Transactions and Potential Effects On Current Stockholders

Our Board has determined that the entry into the Transaction Agreements is in the best interests of the Company and its stockholders because it believes the Transactions are fair to the Company and would cause the Company to acquire all of the outstanding equity of the Asset Class Entities.

Our Class A common stock, if issued pursuant to the Transactions, would have the same rights and privileges as the shares of our currently authorized and outstanding Class A common stock. The issuance of such shares will not affect the rights of the holders of our outstanding Class A common stock, but such issuances will have a dilutive effect on the existing stockholders, including on the voting power and economic rights of the existing stockholders, and may result in a decline in the price of our Class A common stock or in greater price volatility. If our stockholders approve the Nasdaq Proposal, such shares, if issued, could constitute 20% or more of our outstanding shares of our common stock.

Vote Required

The Nasdaq Proposal requires the affirmative vote of at least a majority of the voting power of the stock present or represented by proxy and entitled to vote on the subject matter, voting as a single class. BENEFICIAL OWNERSHIP OF SECURITIES

The following table sets forth information as of February 29, 2024 (or as of the date otherwise indicated below) regarding beneficial ownership by:

- each person known to us to beneficially own more than 5% of any class of our outstanding common stock;
- our directors;
- each of our named executive officers; and
- all of our directors and executive officers as a group.

Unless otherwise noted, the mailing address of each listed beneficial owner is c/o StepStone Group Inc., 277 Park Avenue, 45th Floor, New York, New York 10172.

The number of shares beneficially owned by each entity or individual is determined under the SEC rules, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the entity or individual has sole or shared voting or investment power and also any shares that the entity or individual has the right to acquire as of April 29, 2024 (60 days after February 29, 2024) through the exercise of any stock options, through the vesting/settlement of RSUs payable in shares, or upon the exercise of other rights. Beneficial ownership excludes options or other rights vesting after April 29, 2024. Unless otherwise indicated, each person has sole voting and investment power (or shares such power with his or her spouse, as applicable) with respect to the shares set forth in the following table.

The number of shares of Class A common stock listed in the table below represents shares of Class A common stock directly owned, and assumes no exchange of Class B or Class C Partnership units for Class A common stock. Under certain exchange agreements, each Class B unitholder and Class C unitholder of the Partnership is entitled to have its Class B units or Class C units, as applicable, exchanged for Class A common stock of the Company on a one-for-one basis or, at our option, for cash.

In addition, members of our Class B Committee have the right to vote certain shares of Class A and Class B common stock held by anyone who is or becomes party to our Amended and Restated Stockholders Agreement, dated as of September 20, 2021 (the “Stockholders Agreement”) and may be deemed to be a beneficial owner of all securities held by the parties to the Stockholders Agreement.

The number of shares of Class A common stock and Class B common stock outstanding and percentage of beneficial ownership set forth below is computed on the basis of 64,221,399 shares of our Class A common stock and 46,314,543 shares of our Class B common stock issued and outstanding as of February 29, 2024.

Similarly, if an address is shared with another stockholder and together, both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions: If the shares are registered in the name of the stockholder, the stockholder should notify us by email at shareholders@stepstonegroup.com, by calling 212-351-6100 or in writing, c/o our Chief Legal Officer & Secretary, at StepStone Group Inc., 277 Park Avenue, 45th Floor, New York, New York 10172, to inform us of his or her request. 1.2 Closing.

(a) The closing of any Exchange (each a “Closing”) shall take place remotely via electronic exchange of documents and signatures, as promptly as practicable following, but in no event later than, the third (3rd) Business Day after the satisfaction or waiver of each of the conditions set forth in Article II of this Agreement applicable to such Closing (other than, but subject to satisfaction of, the conditions to be satisfied on the applicable Closing Date); provided, however, in no event shall a Closing take place prior to the first (1st) Business Day after the latest of (i) the last day of the determination period for the STEP 30-Day VWAP for such Exchange, (ii) the date on which STEP issues its audited financial statements for its latest fiscal year ending prior to the Closing (the “STEP Audited Financials”), and (iii) the date on which the Adjustment Statement is delivered in respect of the preceding Exchange. For purposes of this Agreement, the date of the Closing with respect to an Exchange may be referred to as the “Closing Date” of such Exchange, and the effective time of the Closing with respect to an Exchange may be referred to as the “Effective Time” of such Exchange.

(b) The failure to consummate an Exchange on the date and time determined pursuant to Section 1.2(a) shall not result in the termination of this Agreement or relieve any Party of any of its obligations under this Agreement.

1.3 Cash Election. For each Exchange other than the first Exchange, the Asset Class Head may deliver to SSG a notice (a “Cash Election Notice”) setting forth a percentage of the Reduced Baseline Value of such Exchange to be settled in cash for each Participating Seller (such percentage, the “Cash Election Percentage”); provided, that, for the first Exchange, the Cash Election Percentage for each Participating Seller shall be ten percent (10%) (except as otherwise designated by the Asset Class Head and notified to SSG within ten (10) days of this Agreement); provided, further, in no event shall the aggregate cash settlement amount to be paid in the first Exchange exceed ten percent (10%) of the Baseline Exchange Value of the first Exchange, and in no event shall the aggregate cash settlement amount to be paid in any subsequent Exchange exceed twenty percent (20%) of the Reduced Baseline Value of such Exchange; provided, further, that upon the request of the Asset Class Head, SSG shall consider in good faith increasing such permitted cash settlement amount if the Sellers would experience materially greater aggregate tax liability in one or more Exchanges than previously anticipated. Each Cash Election Notice shall be delivered by May 1 of the year prior to the Reference Date of such Exchange. In the event that no Cash Election Notice is properly and timely delivered for an Exchange, the Cash Election Percentage for each Participating Seller shall be deemed to be zero with respect to such Exchange. Upon receipt of a Cash Election Notice properly and timely delivered, subject to the restrictions under applicable Law, any governance documents of STEP and SSG, and any credit agreement, loan agreement, note, indenture or other financing agreements under which STEP or SSG is bound, and subject to the receipt of any applicable stockholder or regulatory approval, SSG, at its sole discretion, shall use commercially reasonable efforts to deliver, or cause to be delivered, the cash portion of the Baseline Exchange Value (or, for each Exchange other than the first Exchange, the Reduced Baseline Value); provided, that, to the extent SSG does not deliver, or cause to be delivered, all or a portion of such cash consideration, the cash portion shall be reduced and, consequently, the number of Consideration Units deliverable shall be increased.

1.4 Distribution Adjustments. It is intended that any distributions made by SRE in respect of the Exchanged Units with respect to any period ending prior to the Reference Date for an Exchange will inure to the benefit of the Participating Sellers; and that the Consideration Units issued in such Exchange shall entitle the Participating Sellers to receive any distributions made by SSG with respect to any period commencing on or after the applicable Reference Date. In the event any such distributions are paid or made to a Person in a manner inconsistent with such intent, then the Parties shall make appropriate adjustments (i) to the consideration delivered in such Exchange or in the subsequent Exchanges or (ii) to distributions or other payments made by SSG with respect to the Consideration Units after the applicable Reference Date.

1.5 True-Up.

(a) Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after each issuance of the STEP Audited Financials, SSG shall deliver to the Asset Class Head a statement (an "Adjustment Statement") setting forth SSG's re-calculation of the Exchange Value of the last Exchange by applying the Applicable SRE Multiple as of the preceding Reference Date to the actual Adjusted Net Income of SRE (rather than SRE Budget ANI) used to prepare the STEP Audited Financials (such recalculated amount, the "Final Exchange Value"). An "Upward Adjustment Amount" shall exist to the extent (if any) of the positive difference between (w) the Final Exchange Value and (x) the Exchange Value originally calculated and used for such Exchange (the "Original Exchange Value"); and a "Downward Adjustment Amount" shall exist to the extent (if any) of the positive difference between (y) the Original Exchange Value and (z) the Final Exchange Value.

(b) Upward Adjustment. If an Upward Adjustment Amount exists, then in the current year Exchange, (i) for any Person who is a Participating Seller in the current year Exchange, the Individual Exchange Value to be delivered to such Person shall equal (x) the Reduced Baseline Value to be delivered to such Person in such Exchange *plus* (y) the product of (A) the Upward Adjustment Amount *multiplied by* (B) such Person's Participation Percentage in the Exchange for which the Adjustment Statement is provided (the "Original Exchange"), and (ii) for any Person who was a Participating Seller in the Original Exchange but is not a Participating Seller in the current year Exchange, then at the Closing of the current year Exchange (or if the Original Exchange is the final Exchange for such Person, then as soon as practicable following the date on which STEP issues the STEP Audited Financials for the current year Exchange), SSG shall (x) issue such Person an additional amount of Consideration Units (rounded down to the nearest whole Consideration Unit) equal to (A) the Upward Adjustment Amount *multiplied by* (B) such Person's Participation Percentage in the Original Exchange, *divided by* (C) the STEP 30-Day VWAP, and (y) pay such Person an amount of cash equal to the Fractional Unit Payment. For the avoidance of doubt, any reference to Upward Adjustment Amount in this paragraph shall be a reference to the Upward Adjustment Amount with respect to the Original Exchange.

(c) Downward Adjustment. If a Downward Adjustment Amount exists, then in the current year Exchange, (i) for any Person who is a Participating Seller in the current year Exchange, (x) the Reduced Baseline Value to be delivered to such Person shall be reduced by an amount equal to the product of (A) the Downward Adjustment Amount *multiplied by* (B) such Person's Participation Percentage in the Original Exchange, and (y) the Individual Exchange Value to be delivered to such Person shall equal the Reduced Baseline Value as adjusted by the foregoing Section 1.5(c)(i)(x), (ii) for any Person who was a Participating Seller in the Original Exchange but is not a Participating Seller in the current year Exchange, then, at SSG's option, (x) such Person shall promptly (and in any event within thirty (30) days) pay SSG an amount of cash equal to (A) the Downward Adjustment Amount, *multiplied by* (B) such Person's Participation Percentage in the Original Exchange, or (y) an amount equal to (A) the Downward Adjustment Amount, *multiplied by* (B) such Person's Participation Percentage in the Original Exchange, shall be carried forward to the next succeeding future Exchange(s) participated by such Person. To the extent the Individual Exchange Value would fall below zero as a result of an adjustment pursuant to this Section 1.5(c), then, at SSG's option, (1) any Person who was a Participating Seller in the Original Exchange shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to (x) the remaining Downward Adjustment Amount, *multiplied by* (y) such Person's Participation Percentage in the Original Exchange, or (2) an amount equal to (x) the remaining Downward Adjustment Amount, *multiplied by* (y) such Person's Participation Percentage in the Original Exchange, shall be carried forward to the next succeeding future Exchange(s) participated by such Person. To the extent any remaining balance of the applicable portion of any Downward Adjustment Amount exists immediately after the Closing of the final Exchange with respect to a Seller, such Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to such remaining balance. Each Seller acknowledges and agrees that, in the event that a Seller does not timely pay SSG any cash amount payable by such Seller to SSG pursuant to this Section 1.5(c), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG or its Affiliates to such Seller or its Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise payable by SSG or its Affiliates to such Seller or its Affiliates. For the avoidance of doubt, any reference to

Downward Adjustment Amount in this paragraph shall be a reference to the Downward Adjustment Amount with respect to the Original Exchange.

1.6 Acceleration Exchange.

(a) Acceleration Exchange. At any point following the Exchange with respect to the April 1, 2028 Reference Date, the Majority Holders and SSG may, by mutual agreement, elect to accelerate the remaining annual Exchanges in one final Exchange as of the Reference Date immediately following such election. Each Seller agrees that in the event the Majority Holders and SSG so elect to accelerate the remaining annual Exchanges, the Majority Holders and SSG may, in their sole discretion, require each Seller to sell and surrender all Equity Securities of SRE held by such Seller in such final Exchange. For purposes of this Agreement, such final Exchange may be referred to as the "Acceleration Exchange".

(b) Holdback. At the Closing of the Acceleration Exchange, Consideration Units representing fifty percent (50%) of the Reduced Baseline Value (the "Holdback") shall not be issued by SSG but shall instead be held back to facilitate a true-up following the issuance of the STEP Audited Financials for the Final Projection Year (it being understood that, without limiting the provisions set forth in Section 1.3, the Cash Election Percentage for such Acceleration Exchange shall not exceed fifty percent (50%) for any Seller). For the avoidance of doubt, the Holdback shall not include any cash consideration included in the Reduced Baseline Value. SSG shall pay to the Participating Sellers (in proportion to their respective Participation Percentages for such Acceleration Exchange) an amount equal to all dividends, distributions (including tax distributions) and other income with respect to fifty percent (50%) of the unissued Consideration Units included in the Holdback, which payment shall be made at the same time as such dividends, distributions and other income are distributed or paid to the other partners of SSG generally in accordance with the terms of the SSG LPA; SSG shall pay to the Participating Sellers (in proportion to their respective Participation Percentages for such Acceleration Exchange) an amount equal to all dividends, distributions and other income with respect to the other fifty percent (50%) of the unissued Consideration Units included in the Holdback, which payment shall be made at such time as, and to the extent, the Participating Sellers become entitled to such Consideration Units.

(c) Acceleration Exchange Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after the issuance of the STEP Audited Financials for the Final Projection Year, SSG shall deliver to the Asset Class Head a statement (the "Acceleration Exchange Adjustment Statement") setting forth SSG's re-calculation of the Exchange Value of the Acceleration Exchange by applying the Applicable SRE Multiple as of the Reference Date of the Acceleration Exchange to the Actual Acceleration SRE ANI (rather than Acceleration SRE Budget ANI) (such recalculated amount, the "Final Acceleration Exchange Value"). An "Upward Acceleration Exchange Adjustment Amount" shall exist to the extent (if any) of the positive difference between the Final Acceleration Exchange Value and the Exchange Value originally calculated and used for the Acceleration Exchange (the "Original Acceleration Exchange Value"); and a "Downward Acceleration Exchange Adjustment Amount" shall exist to the extent (if any) of the positive difference between the Original Acceleration Exchange Value and the Final Acceleration Exchange Value.

(d) No Adjustment. If the Final Acceleration Exchange Value equals the Original Acceleration Exchange Value, SSG shall promptly (and in any event within thirty (30) days of the date of determination of the Final Acceleration Exchange Value) release the Holdback to each Participating Seller in proportion to such Participating Seller's Participation Percentage.

(e) Upward Acceleration Exchange Adjustment. Upon the delivery of the Acceleration Exchange Adjustment Statement, if an Upward Acceleration Exchange Adjustment Amount exists, SSG shall promptly deliver to each Participating Seller in such Acceleration Exchange (i) such Participating Seller's Participation Percentage of amounts in the Holdback, (ii) cash equal to the Fractional Unit Payment, and (iii) a number of issued Consideration Units (rounded down to the nearest whole Consideration Unit) equal to (x) such Participating Seller's Participation Percentage of the Upward Acceleration Exchange Adjustment Amount (net of any Downward Adjustment carried forward pursuant to Section 1.5(c)) divided by (y) the STEP 30-Day VWAP.

Table of Contents

(f) Downward Acceleration Exchange Adjustment. Upon the delivery of the Acceleration Exchange Adjustment Statement, if a Downward Acceleration Exchange Adjustment Amount exists, SSG shall (i) retain for SSG's account from the Holdback an amount equal to the Downward Acceleration Exchange Adjustment Amount (together with all dividends, distributions and other income with respect to the relevant unissued Consideration Units) (the remaining Holdback after such deduction, the "Adjusted Holdback"), and (ii) following the completion of step (i), promptly release the Adjusted Holdback, if any, to each Participating Seller in proportion to such Participating Seller's Participation Percentage for such Acceleration Exchange, in each case net of any Downward Adjustment for such Participating Seller carried forward pursuant to Section 1.5(c).

(g) Further Adjustment. In the event the Downward Acceleration Exchange Adjustment Amount exceeds the Exchange Value of the Holdback, each Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to (i) such Participating Seller's Participation Percentage of (ii) (x) the Downward Acceleration Exchange Adjustment Amount *less* (y) the Exchange Value of the Holdback. Each Seller acknowledges and agrees that, in the event that a Seller does not timely pay SSG any cash amount payable by such Seller to SSG pursuant to this Section 1.6(g), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG or its Affiliates to such Seller or its Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise payable by SSG or its Affiliates to such Seller or its Affiliates.

(h) Termination Acceleration Exchange. With respect to any Seller who is terminated (with or without cause), resigns or retires (an "Acceleration Party"), such Seller's remaining Equity Securities in SRE shall be treated as set forth in Annex C attached hereto.

(i) Change of Control Exchange. If a Change of Control of STEP or SSG shall occur, then the Exchanges provided for herein shall continue as scheduled; provided, that:

(i) the STEP Multiple for all Exchanges occurring on or after the date of the Change of Control shall be the lower of (x) 40 and (y) the STEP Multiple implied by the fair value (as determined in good faith by the Board of Directors of STEP (the "STEP Board")) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; provided, however, that this Section 1.6(i)(i) shall be subject to Section 1.8, and the provisions relating to Skipped Exchanges shall apply, if the applicable STEP Multiple as determined in accordance with the foregoing is below 16;

(ii) for the purposes of subsequent calculations of the Exchange Value, the Exchange Value shall be calculated based on the fair value (as determined in good faith by the STEP Board) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; and

(iii) the Exchange Value to be delivered to each Participating Seller for Exchanges occurring on or after the effective date of the Change of Control shall be payable in the kind of securities, cash or other property paid in such Change of Control to other equityholders of STEP or SSG (such securities, cash or other property, the "Reference Property," and the amount and kind of Reference Property that a holder of one Consideration Unit would be entitled to receive, a "Reference Property Unit"); provided, that, (x) if the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of equityholder election, then the composition of the Reference Property Unit shall be deemed to be the weighted average of the types and amounts actually received by the other equityholders of STEP or SSG in the Change of Control transaction, and (y) if the Reference Property consists of equity securities that are not Publicly Traded Securities, STEP and SSG shall use commercially reasonable efforts, acting in good faith, to structure the Change of Control transaction to avoid a disproportionate and materially adverse effect on the Sellers relative to the other equityholders of STEP or SSG party to such Change of Control transaction.

1.7 Adjustment for Reclassification. If the number of outstanding Equity Securities of STEP, SSG or SRE have been changed into a different number of units or a different class (including by reason of any

reclassification, unit split (including a reverse unit split), recapitalization, split-up, combination, exchange of units, readjustment or other similar transaction), or if a unit dividend or unit distribution thereon is declared, the relevant provisions of this Agreement shall be equitably adjusted to reflect such change so as to provide SSG and Sellers the same economic effect as contemplated by this Agreement prior to such event; provided, that nothing in this Section 1.7 shall be deemed to permit or authorize SRE to effect any such change that it is not authorized or permitted to undertake.

1.8 Limitations on Exchanges.

(a) Notwithstanding the other provisions of this Article I, none of the Sellers shall be obligated to effect any Exchange if the STEP Multiple with respect to such Exchange is below 16 (such Exchange, a “Skipped Exchange”).

(b) Notwithstanding the provisions of this Article I, neither STEP nor SSG shall be obligated to effect any Exchange if, after giving effect to such Exchange, STEP and/or SSG would have issued, pursuant to the terms of this Agreement and/or the Other Transaction Agreements, more than an aggregate of 75 million Consideration Units and/or Consideration Securities (as such term is defined in each Other Transaction Agreement) (the “Aggregate Equity Limit”). To the extent an Exchange would otherwise result in the issuance of Consideration Units in excess of the Aggregate Equity Limit, STEP or SSG may, at its option and in its sole discretion, (i) increase the Cash Election Percentage for such Exchange (notwithstanding the cap set forth in Section 1.3) so as to complete such Exchange without exceeding the Aggregate Equity Limit, or (ii) increase the Aggregate Equity Limit; provided, that, upon the request of the Asset Class Head, STEP and/or SSG shall consider in good faith using its commercially reasonable efforts to effectuate the foregoing clause (ii) (and failing that, the foregoing clause (i)).

(c) For the avoidance of doubt, no Closing shall occur with respect to a Skipped Exchange and Sellers shall not be required to sell, convey or deliver Equity Securities of SRE in connection with such Skipped Exchange.

(d) In the event of a Skipped Exchange, the Exchanged Units that would otherwise have been subject to such Exchange (i) shall be subject to the next annual Exchange for which the STEP Multiple is equal to or greater than 16 or the Aggregate Equity Limit has not been exceeded, as applicable, (ii) the Exchange Value for such Exchanged Units shall be calculated using the actual Adjusted Net Income of SRE (rather than SRE Budget ANI) for the fiscal year that was the subject of the Skipped Exchange and (iii) no true-up pursuant to Section 1.5 shall be made with respect to such Exchanged Units.

ARTICLE II CONDITIONS TO EACH CLOSING

2.1 Conditions to All Parties’ Obligations to Close. The obligations of SSG and STEP, on the one hand, and of the Sellers, on the other hand, to complete any Closing contemplated by this Agreement are subject to the fulfillment at or prior to such Closing of each of the following conditions (any or all of which may be waived in whole or in part with respect to the Sellers by the Asset Class Head):

(a) Required Regulatory Approvals. The authorizations, consents, orders or approvals of, or declarations or filings with, and the expirations or terminations of waiting periods required from, any Governmental Authorities set forth in Annex B attached hereto, with respect to this Agreement, the Transactions, and the relevant Exchange (all such permits, approvals, filings and consents and the expiration or termination of all such waiting periods being referred to as the “Required Regulatory Approvals”), and all such Required Regulatory Approvals shall be in full force and effect.

(b) Deliverables. The following documents shall have been delivered to each Seller:

(i) the Exchange Agreement duly executed by SSG and STEP; provided, that, no such agreement needs to be delivered if SSG and STEP have already delivered such agreement at a prior Closing and such agreement remains in full force and effect; and

(a) Representations and Warranties. The representations and warranties regarding each Seller in Article III of this Agreement shall be true and correct in all respects on and as of the date hereof and on and as of each applicable Effective Time as though such representations and warranties were made on and as of such Effective Time, or in the case of representations and warranties that are made as of a specified date, such representations and warranties shall be true and correct as of such specified date.

- (d) Each Seller shall have delivered a certificate to SSG and STEP to the effect set forth in Section 2.3(a), duly signed by or on behalf of such Seller.

2.4 Withholding. To the extent that such

Table of Contents

amounts are so withheld or paid over to or deposited with the relevant Governmental Authority by SSG, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the applicable Person in respect to which such deduction and withholding was made.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF THE SELLERS

Each Seller hereby severally but not jointly represents and warrants to SSG as follows:

3.1 Organization; Good Standing; Power. Such Seller, if not an individual, has been duly organized and is validly existing and in good standing under the Laws of its respective jurisdictions of organization. Such Seller has all requisite power and authority or legal capacity (as applicable) to enter into this Agreement, the Power of Attorney and any other documents to be entered into by such Seller in connection with the Transactions and to consummate the transactions contemplated hereby and thereby.

3.2 Required Consents; Authority. All consents, approvals, authorizations and orders necessary for the execution and delivery by such Seller of this Agreement and the Power of Attorney, and for the sale and delivery of the Exchanged Units to be sold by such Seller hereunder, including any such consent or approval of such Seller's current or prior spouse, have been obtained (except for anything set forth in Section 2.1); and such Seller has full right, power and authority to enter into this Agreement and the Power of Attorney and to sell, assign, transfer and deliver the Exchanged Units to be sold by such Seller hereunder; this Agreement and the Power of Attorney have each been duly authorized, executed and delivered by such Seller.

3.3 No Conflicts. The execution, delivery and performance by such Seller of this Agreement and the Power of Attorney, the sale of the Exchanged Units to be sold by such Seller and the consummation by such Seller of the transactions contemplated herein or therein will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination, modification or acceleration of, or result in the creation or imposition of any lien, charge or encumbrance upon any property, right or asset of such Seller pursuant to, any material indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which such Seller is a party or by which such Seller is bound or to which any of the property, right or asset of such Seller is subject, (ii) result in any violation of the provisions of the charter or by-laws or similar organizational documents of such Seller if such Seller is not an individual, or (iii) result in the violation of any Law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory agency.

3.4 Title to the Exchanged Units. Such Seller has good and valid title to the Exchanged Units to be sold by such Seller hereunder, free and clear of all liens, encumbrances, equities or adverse claims; and, upon delivery of the Assignment of Interest in respect of such Exchanged Units and payment therefor pursuant hereto, good and valid title to such Exchanged Units, free and clear of all liens, encumbrances, equities or adverse claims, will pass to SSG.

3.5 Litigation. There are no Proceedings pending, or to such Seller's knowledge, threatened against such Seller, at Law or in equity, by or before any Governmental Authority, or by or on behalf of any third party with respect to execution of this Agreement and the other documents in connection with the Transactions to which such Seller is a party or consummation by such Seller of the transactions contemplated hereby or thereby.

3.6 No Unlawful Payment; Compliance with Anti-Money Laundering Laws; Compliance with Sanction Laws.

(a) Neither such Seller, nor, to the extent such Seller is not an individual, any of its subsidiaries, Affiliates, directors, officers, employees, nor, to the knowledge of Seller, any agents or other Persons associated

with or acting on behalf of such Seller or any of its subsidiaries has (i) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended, or any applicable Law or regulation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, or committed an offence under the Bribery Act 2010 of the United Kingdom or any other applicable anti-bribery or anti-corruption Law, or (ii) otherwise made, offered, agreed, requested or taken an act in furtherance of any unlawful bribe or unlawful benefit.

(b) Such Seller has been in compliance with, and to the extent if such Seller is not an individual, the operations of such Seller and its subsidiaries are and have been conducted at all times in compliance with any applicable Anti-Money Laundering Laws, and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving such Seller or, to the extent such Seller is not an individual, any of its subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the knowledge of such Seller, threatened.

(c) Neither such Seller, nor, to the extent such Seller is not an individual, any of its subsidiaries, Affiliates, directors, officers, employees, nor, to the knowledge of Seller, any agents or other Persons associated with or acting on behalf of such Person is currently the subject or the target of any sanctions administered or enforced by the U.S. government (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury (“OFAC”) or the U.S. Department of State and including, without limitation, the designation as a “specially designated national” or “blocked person”), the United Nations Security Council (“UNSC”), the European Union, His Majesty’s Treasury (“HMT”) or other relevant sanctions authority (collectively, “Sanctions”), nor is such Seller, any of its subsidiaries located, organized or resident in a country or territory that is the subject or target of Sanctions, including, without limitation, Crimea, Cuba, Iran, North Korea, Syria, the so-called Donetsk People’s Republic, the so-called Luhansk People’s Republic (each, a “Sanctioned Country”); and such Seller will not directly or indirectly use the proceeds of the transactions hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business with any person that, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities of or business in any Sanctioned Country or (iii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions. For the past five (5) years, such Seller, and to the extent such Seller is not an individual, its subsidiaries have not knowingly engaged in, are not now knowingly engaged in any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

3.7 Investment Representations and Warranties. Such Seller understands and agrees that the offering, sale and issuance of the Consideration Units and, to the extent such Consideration Units are exchanged for STEP Class A Common Stock, such shares of STEP Class A Common Stock (collectively with the Consideration Units, the “Offered Securities”) have not been and will not be registered under the Securities Act or any applicable state securities Laws, in each case except as contemplated by the Exchange Agreement and the Registration Rights Agreement, and such offer, sale and issuance are being made in reliance upon federal and state exemptions for transactions not involving a public offering which depend upon, among other things, the bona fide nature of the investment intent of the Seller and the accuracy of the Seller’s representations, warranties, agreements, acknowledgements and understandings as expressed in this Agreement.

3.8 Acquisition for Own Account. Such Seller is acquiring the Offered Securities for its own account for investment and not with a view toward distribution in a manner which would violate the Securities Act or any applicable state securities Laws. The Seller is not party to any agreement providing for or contemplating the distribution of any of the Offered Securities, other than this Agreement, the Exchange Agreement and the Registration Rights Agreement.

3.9 Ability to Protect Its Own Interests and Bear Economic Risks. Such Seller, by reason of the business and financial experience of such Seller or its representatives, has the capacity to protect its own interests in

connection with the transactions contemplated by this Agreement and is capable of evaluating the merits and risks of the investment in the Offered Securities. Such Seller is able to bear the economic risk of an investment in the Offered Securities and is able to sustain a loss of all of its investment in the Offered Securities without economic hardship, if such a loss should occur.

3.10 Accredited Investor; No Bad Actor. Such Seller is an “accredited investor” as that term is defined in Rule 501(a) under the Securities Act. The Seller has not taken any of the actions set forth in, and is not subject to, the disqualification provisions of Rule 506(d)(1) of the Securities Act.

3.11 No Governmental Review. Such Seller understands that no U.S. federal or state agency or any U.S. or non-U.S. Governmental Authority has passed on or made any recommendation or endorsement of the Offered Securities or the fairness or suitability of the investment in the Offered Securities nor have such authorities passed upon or endorsed the merits of the offering of the Offered Securities.

3.12 Access to Information. Such Seller has access to documents, records and other information about SSG and STEP, and has been given an opportunity to ask questions of, and receive answers from, the officers, employees, agents, accountants, and representatives of SSG and STEP concerning their business, operations, financial condition, assets, liabilities and other matters relevant to an investment in the Offered Securities.

3.13 No Public Market. Such Seller understands that no public market now exists for the Consideration Units, and both SSG and STEP intend to prevent a public market to exist for the Consideration Units, except to the extent that the Consideration Units are exchanged for STEP Class A Common Stock pursuant to the terms of the Exchange Agreement.

3.14 Advisors. Such Seller has had the opportunity to review with its own tax, financial and legal advisors regarding the consequences of an investment in the Offered Securities, including the tax consequences thereof, and of the transactions contemplated by this Agreement. Such Seller is relying solely on its own determination as to the consequences of such investment and transactions.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF SSG

Each of STEP and SSG represents and warrants to the Sellers as follows:

4.1 Organization; Good Standing; Power. Each of STEP and SSG has been duly organized and is validly existing and in good standing under the Laws of its respective jurisdictions of organization. Each of STEP and SSG has all requisite power and authority to enter into this Agreement, the Exchange Agreement and Registration Rights Agreement and any other documents to be entered into by STEP or SSG in connection with the Transactions.

4.2 Required Consents; Authority. All consents, approvals, authorizations and orders necessary for the execution and delivery by STEP and SSG of this Agreement, the Exchange Agreement, the Registration Rights Agreement (except for consent by the majority parties as set forth in the Existing Registration Rights Agreement) and any other documents to be entered into by STEP or SSG in connection with the Transactions, including the delivery of the Consideration Units and the Cash Consideration Amount by SSG hereunder, have been obtained (except for anything set forth in Section 2.1) except where the failure, individually or in the aggregate, would not reasonably be expected to impair SSG’s and STEP’s ability to consummate the transactions contemplated hereby and thereby; and SSG has full right, power and authority to enter into this Agreement, the Exchange Agreement and the Registration Rights Agreement and to sell, assign, transfer and deliver the Consideration Units to be exchanged by SSG hereunder. This Agreement has been duly authorized, executed and delivered by each of STEP and SSG and the Exchange Agreement, Registration Rights Agreement and the other documents to be

entered into by STEP or SSG in connection with the Transactions have been duly authorized by each of STEP and SSG. At a meeting duly called and held, the STEP Board has (i) determined that this Agreement, the Exchange Agreement, the Registration Rights Agreement and any other documents to be entered into by STEP or SSG in connection with the Transactions are fair to and in the best interests of STEP's stockholders, (ii) approved, adopted and declared advisable this Agreement, the Exchange Agreement, the Registration Rights Agreement, any other documents to be entered into by STEP or SSG in connection with the Transactions, (iii) resolved to recommend the approval of the Transactions by the stockholders of STEP (such recommendation, the "STEP Board Recommendation") and (iv) directed that the approval of the Transactions be submitted to a vote of STEP's stockholders, each of which resolutions has not been rescinded, modified or withdrawn as of the date of this Agreement. The affirmative vote (in person or by proxy) of the holders of a majority of STEP's shares of common stock, voting together as a single class, that are present at a meeting where holders of a majority of the voting power of the stock outstanding and entitled to vote are present, is the only vote of the holders of any class or series of capital stock of STEP necessary to obtain the STEP Stockholder Approval and Nasdaq Approval. STEP has taken and will take all such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions or dispositions of equity securities of STEP (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of STEP for such purposes that result from the transactions contemplated by this Agreement and the Exchange Agreement, by each director or officer of STEP (including directors-by-deputization) who may reasonably be expected to be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to STEP upon the registration of any class of equity security of STEP pursuant to Section 12 of the Exchange Act.

4.3 No Conflicts. The execution, delivery and performance by each of STEP and SSG of this Agreement, the Exchange Agreement, the Registration Rights Agreement and the other documents to be entered into by STEP or SSG in connection with the Transactions, including the sale of the Consideration Units to be sold by SSG and the consummation by each of STEP and SSG of the transactions contemplated by hereby and thereby will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination, modification or acceleration of, or result in the creation or imposition of any lien, charge or encumbrance upon any property, right or asset of STEP or SSG pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which STEP or SSG is a party or by which STEP or SSG is bound or to which any of the property, right or asset of STEP or SSG is subject, (ii) result in any violation of the provisions of the charter or by-laws or similar organizational documents of STEP or SSG, or (iii) result in the violation of any Law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory agency, except in the case of clauses (i) and (iii) as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of STEP, SSG and their respective subsidiaries, taken as a whole.

4.4 Title to Consideration Units. The Consideration Units, when delivered on a Closing Date pursuant to an Exchange, shall be duly authorized and validly issued. Following the delivery of the Consideration Units pursuant to Section 1.1(b), the Sellers shall acquire good and valid title to the applicable portions of the Consideration Units, free and clear of any liens, encumbrances, equities or adverse claims other than any liens, encumbrances, equities or adverse claims to which the Consideration Units are subject under applicable securities Laws, under the SSG LPA, the Exchange Agreement (as applicable), the Registration Rights Agreement (as applicable) or any other similar governance agreements regarding such Consideration Units, or created by the Sellers.

4.5 Litigation. There are no Proceedings pending, or to SSG's and STEP's knowledge, threatened against SSG or STEP, at Law or in equity, by or before any Governmental Authority, or by or on behalf of any third party with respect to execution of this Agreement and the other documents in connection with the Transactions to which SSG or STEP is a party or consummation by SSG or STEP of the transactions contemplated hereby and thereby.

Except as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of STEP, SSG and their respective subsidiaries, taken as a whole, for the past five (5) years, SSG and STEP and their respective subsidiaries (other than SRE and its subsidiaries) have not knowingly engaged in, are not now knowingly engaged in any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

Agreement and the SRE GP Limited Liability Company Agreement) to reflect the governance changes agreed between SSG and the Asset Class Head concurrent with or contingent upon the Closing of the first Exchange, and (ii) agrees to do or cause to be done all such further acts and things, including giving any further consents, to effectuate and document any amendment of the governance documents of SRE and SRE GP (including without limitation, the SRE Limited Partnership Agreement and the SRE GP Limited Liability Company Agreement) to reflect such governance changes.

ARTICLE VI SECURITIES LAWS COMPLIANCE COVENANTS

6.1 Restricted Securities. Each Seller understands that the Offered Securities will be characterized as “restricted securities” under the U.S. federal securities Laws inasmuch as they are being acquired pursuant to an exemption from registration under the Securities Act and, accordingly, such securities may be resold only pursuant to an exemption from registration under the Securities Act or pursuant to a registration under the Securities Act. Each Seller understands that neither SSG nor STEP is under any obligation to register the Offered Securities, except as shall be provided for in the Registration Rights Agreement. It is understood that the certificates evidencing the Offered Securities may bear a private placement legend substantially in the form set forth below:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT.”

ARTICLE VII OTHER COVENANTS OF THE PARTIES

7.1 Reclassification Transaction; SSG LPA. The Parties hereto shall cooperate in good faith and use reasonable best efforts to consummate a reclassification of the outstanding Equity Securities of SRE (the “Reclassification Transaction”) to facilitate the transactions contemplated by this Agreement as promptly as possible (and in any event prior to the Closing of the first Exchange) and use reasonable best efforts to obtain all necessary consents, approvals and authorizations of all third Persons in connection with the Reclassification Transaction. The Parties hereto shall cooperate in good faith and use reasonable best efforts to amend and restate the SSG LPA to, among other things, facilitate the issuance of the SSG Class D Units and use reasonable best efforts to obtain all necessary consents, approvals and authorizations of all third Persons in connection therewith.

7.2 Required Regulatory Approvals; Efforts.

(a) STEP and SSG shall use their commercially reasonable efforts to obtain or cause to be obtained all Required Regulatory Approvals (including the HSR Approval) and any other licenses, permits, authorizations, consents and approvals of all third parties and Governmental Authorities necessary in connection with the consummation of the transactions contemplated by this Agreement. The parties hereto shall coordinate and cooperate with each other in exchanging such information and assistance as any of the parties hereto may reasonably request in connection with the foregoing. Notwithstanding anything in this Agreement to the contrary, in no event shall STEP, SSG or any of their respective Affiliates be obligated to (i) undertake or commit or agree to undertake, by consent decree, hold separate order or otherwise the sale, lease, license, divestiture or disposition of any asset of STEP, SSG or any of their respective Affiliates (including the Exchanged Units after giving effect to the Transactions), or (ii) offer, accept, agree, commit to, or consent to, any material undertaking, term, condition, liability obligation, commitment or other measure.

(b) STEP shall set a record date for, duly give notice of, convene and hold a meeting of the stockholders of STEP to obtain any stockholder approval required under STEP's governance documents or any applicable Law in favor of the adoption of this Agreement, the Exchange Agreement, the Transactions, the relevant Exchanges, and the issuance of STEP Class A Common Stock contemplated hereunder or pursuant to the Exchange Agreement (the "STEP Stockholder Approval") as soon as practicable after the date hereof. STEP shall include the STEP Board Recommendation in the proxy statement filed with the U.S. Securities and Exchange Commission (the "SEC") by STEP and shall solicit, and use commercially reasonable efforts to obtain from STEP's stockholders, the STEP Stockholder Approval at such meeting. STEP shall use commercially reasonable efforts to file a preliminary proxy statement relating to the STEP Stockholder Approval with the SEC as soon as practicable following the date hereof, and as promptly as practicable after the date on which STEP learns that such proxy statement will not be reviewed or that the SEC staff has no further comments thereon, duly call, give notice of, convene and hold a meeting of its stockholders for the purpose of obtaining the STEP Stockholder Approval, file a definitive proxy statement with respect to the STEP Stockholder Approval and disseminate such proxy statement in accordance with applicable law.

(c) STEP shall use commercially reasonable efforts to obtain any required approval from the Nasdaq Stock Market with respect to this Agreement, the Transactions and the relevant Exchanges (the "Nasdaq Approval").

(d) In fulfilling SSG's and STEP's obligations pursuant to this Section 7.2, the Asset Class Head and each Seller shall cooperate in good faith with SSG and STEP to (A) prepare and make or file any Required Regulatory Approvals, (B) effect all necessary filings, applications, registrations, consents and authorizations and execute all agreements and documents, (C) use reasonable best efforts to obtain the transfer or reissuance to SSG or STEP of, and participate in discussion with respect to, all necessary permits, consents, approvals and authorizations of all Governmental Authorities, (D) if necessary, execute a common interest agreement, and (E) use reasonable best efforts to obtain all necessary consents, approvals and authorizations of all third Persons, in the case of each of the foregoing clauses (A), (B), (C), (D), and (E) necessary to consummate the Transactions. Each Party hereto shall keep the other apprised in a prompt manner of the status and substance of any communications with, and inquiries or requests for additional information in connection with any Required Regulatory Filings or from any Governmental Authority in connection with the Transactions.

(e) STEP shall use commercially reasonable efforts to cause the parties other than the Sellers necessary for the Registration Rights Agreement (as contemplated to be amended pursuant to this Agreement) to be effective to execute the Registration Rights Agreement before the Closing of the first Exchange.

7.3 Tax Matters.

(a) Intended Tax Treatment. For U.S. federal income and other applicable tax purposes, the Parties shall treat (i) the Reference Date as the closing date for each Exchange for purposes of Tax reporting to the extent permitted under applicable Tax law, (ii) each Exchange (A) as an exchange under Section 721(a) of the Code to the extent SSG Class D Units are received in exchange for SRE equity interests and (B) as a sale under Section 741 of the Code to the extent cash is received in exchange for SRE equity interests or a transaction described in Revenue Ruling 99-6, Situation 1, unless in each case otherwise required by applicable law as determined by SSG in its reasonable discretion. For U.S. federal income and other applicable tax purposes, the Participating Sellers shall be the owners of the Consideration Units included in the Holdback as of the Reference Date of the Acceleration Exchange unless otherwise required by applicable law as determined by SSG in its reasonable discretion.

(b) Closing of the Books. For purposes of determining the income, profit, loss, deduction or any other items allocable to the "partners" of SRE for any tax period of SRE that includes a Reference Date, such items will be determined using the interim closing method under Section 706 of the Code and Treasury Regulations Section 1.706-4, using the "calendar day" convention, effective as of the end of the day of the relevant Reference Date.

(c) Tax Distributions. Notwithstanding anything herein or in the SRE Limited Partnership Agreement to the contrary, SRE shall not be required to make any tax distributions pursuant to Section 4.6 of the SRE Limited Partnership Agreement with respect to any tax liabilities arising from the transactions contemplated herein. For the avoidance of doubt and subject to the preceding sentence, each Seller shall continue to receive tax distributions pursuant to Section 4.6 of the SRE Limited Partnership Agreement with respect to the Exchanged Units at all times prior to the relevant Reference Date for such Exchanged Units. No tax distributions shall be made to any Participating Sellers by SSG, SRE or any of their Affiliates with respect to any Consideration Units included in the Holdback, except as otherwise specified in Section 1.6(b).

(d) Tax Information. Each Seller agrees to furnish to StepStone such tax-related information, documentation, certifications and representations as StepStone or its agents may from time to time reasonably request to comply with any legal, regulatory and tax (including withholding tax) requirements, including FATCA, as well as any informational reporting, disclosure or other similar requirements.

(e) SRE Tax Certificates. To the extent it is able to make the representations contained therein, the SRE GP or SRE shall deliver a certificate to SSG that meets the requirements of Treasury Regulations Section 1.1445-11T(d)(2) at or prior to each Closing.

7.4 Public Announcements. No Seller shall make or issue any report, statement or press release or otherwise make any other public statement with respect to this Agreement and the Transactions without prior written approval of SSG. Each of STEP and SSG shall be entitled to make any report, press release or public statements with respect to this Agreement or the Transactions.

7.5 Power of Attorney.

(a) Each Seller hereby appoints the Asset Class Head as such Seller's agent and attorney-in-fact (the "Attorney-in-Fact") and instructs and authorizes the Attorney-in-Fact, in the name and on behalf of such Seller, to do or cause to be done all the things set forth in the Power of Attorney attached as Annex D hereto (the "Power of Attorney"). For the avoidance of doubt, such instruction and authorization shall be in addition to any instruction and authorization by such Seller pursuant to Section 9.16.

(b) The Asset Class Head and each Seller shall use such Party's respective best efforts to obtain a fully executed, witnessed, accepted by the principal and notarized (in each case, to the extent required) Power of Attorney in compliance with either the New York General Obligations Law or applicable local Laws governing the enforceability of such Power of Attorney that would render such Power of Attorney enforceable in New York as reasonably determined by SSG in good faith and deliver a duly executed and notarized (if required) copy of such Power of Attorney to SSG and STEP as promptly as possible (and in any event within fifteen (15) days of this Agreement).

7.6 Reasonable Best Efforts. Subject to the terms and conditions of this Agreement, each of the Parties hereto shall (i) use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate the transactions contemplated by this Agreement and (ii) refrain from taking any actions that could reasonably be expected to impair, delay or impede the transactions contemplated by this Agreement. In the event of any breaches by any Seller of any terms of this Agreement, such breaches shall not affect the rest of the terms and conditions of this Agreement and all other Parties shall use reasonable best efforts to carry out the Transactions in such manner pursuant to the original intent of the Parties as closely as possible as contemplated by this Agreement.

ARTICLE VIII TERMINATION

8.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned; provided, that, in connection with any such termination by or made with agreement of SSG, SSG

shall consult in good faith with the SIRA Asset Class Head and the SPD Asset Class Head prior to the effectiveness of such termination:

(a) at any time, by mutual written agreement of SSG, the Asset Class Head and the Majority Holders; and

(b) if any Closing shall not have occurred on or before the first (1st) anniversary of the Reference Date for an Exchange (other than a Skipped Exchange) (each, an “Applicable Outside Date”), by either SSG or the Majority Holders; provided, however, that SSG or the Majority Holders, as the case may be, shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if a breach or failure to perform by the Asset Class Head or any Seller (in the case of termination by the Majority Holders) or SSG (in the case of termination by SSG) of any of its representations, warranties, covenants or obligations contained in this Agreement was the primary cause of, or primarily resulted in, the failure of a condition to consummate such Closing on or before the Applicable Outside Date.

8.2 Procedure and Effect of Termination.

(a) Any Party desiring to terminate this Agreement pursuant to Section 8.1 shall give written notice of such termination to the other Parties to this Agreement. Except as set forth in this Section 8.2, in the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to this Section 8.2, (i) each Party’s representations and warranties shall survive any such termination of this Agreement for two (2) years and (ii) that the foregoing termination shall not relieve any Seller of any liability, damages or losses resulting from any fraud or any willful and material breach of any of its representations, warranties, covenants or agreements set forth in this Agreement. For purposes of this Agreement, “willful and material breach” shall mean any deliberate act or failure to act, which act or failure to act constitutes in and of itself a material breach of this Agreement, regardless of whether breaching was the conscious object of the act or failure to act.

(b) In the event this Agreement is terminated pursuant to Section 8.2, all filings, applications and other submissions made by any party hereto to any Person, including any Governmental Authority, in connection with the transactions contemplated hereby shall, to the extent practicable and not legally prohibited, be withdrawn from such Person by such party.

ARTICLE IX MISCELLANEOUS

9.1 Further Assurances. Without limiting and in addition to the other provisions of this Agreement, at the request of a Party, the other Parties shall execute and deliver to such requesting Party such documents and take such other action as such requesting Party may reasonably request in order to give effect to the transactions contemplated hereby.

9.2 Notices. All notices, requests, demands, waivers and communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given and received if delivered (i) by hand (including by reputable overnight courier), (ii) by mail (certified or registered mail, return receipt requested), or (iii) by E-mail (receipt of which is confirmed, followed by delivery of an original via overnight courier service) to the respective parties at the following addresses:

9.3 [Annexes, Exhibits and Schedules](#). Any matter, information or item in any Annexes, Exhibits and Schedules attached hereto are hereby incorporated in and made a part of this Agreement as if set forth herein.

9.4 [Amendment, Modification and Waiver](#). This Agreement or any portion thereof, including any Annexes and Exhibits, may be amended, modified or supplemented by written agreement signed by STEP, SSG and the Asset Class Head; [provided, that](#), to the extent that any such amendment, supplement or modification would materially adversely affect the rights or obligations the Sellers under this Agreement, such amendment, supplement or modification may only be made with the prior written consent of the Majority Holders; [provided further, that](#), to the extent any such amendment, supplement or modification would materially adversely and disproportionately affect the rights or obligations of any particular Seller or category of Sellers under this Agreement as compared to other Sellers generally, such amendment, supplement or modification may only be made with the prior written consent of such Seller or a majority in interest of the Sellers that would be so adversely and disproportionately affected; [provided further, that](#), any such amendment, supplement or modification to the definition of "Engaging in Competitive Behavior" set forth on [Annex C](#) attached hereto may only be made with the prior written consent of each Party hereto. Any failure of the Sellers or the Asset Class Head to comply with any term or provision of this Agreement may be waived by SSG or STEP, and any failure of SSG or STEP to comply with any term or provision of this Agreement may be waived by the Asset Class Head (on behalf of himself and the Sellers), at any time by an instrument in writing signed by or on behalf of such other party, but such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply. Further, neither the waiver by any of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder. Each Seller agrees that, to the extent all or a portion of this Agreement is amended, modified, supplemented or waived pursuant to the terms of this [Section 9.4](#), such amendment, modification,

supplement or waiver shall be binding on such Seller, regardless of whether such Seller provided consent to such amendment, modification, supplement or waiver (except if such consent is expressly required pursuant to this Section 9.4).

9.5 Entire Agreement. This Agreement, and the annexes, exhibits, schedules and other documents referred to herein which form a part hereof contain the entire understanding of the parties hereto with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, oral and written, with respect to its subject matter.

9.6 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid. If any term or other provision of this Agreement for any reason is declared invalid, illegal or unenforceable, such decision shall not affect the validity or enforceability of any of the other provisions of this Agreement, which other provisions shall remain in full force and effect and the application of such invalid or unenforceable provision to Persons or circumstances other than those as to which it is held invalid, illegal or unenforceable shall be valid and be enforced to the fullest extent permitted by applicable Law.

9.7 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of Law or otherwise, by any Party without the prior written consent of SSG or STEP (in the case of an assignment by the Asset Class Head or a Seller) or the Asset Class Head (in the case of an assignment by SSG or STEP), and any such assignment without such prior written consent shall be null and void; provided, however, that SSG and STEP each may assign in whole or a part of this Agreement to any Affiliate without the prior consent of any other Party to this Agreement; provided further, that no assignment shall limit the assignor's obligations or liabilities hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

9.8 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties to this Agreement and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

9.9 Fees and Expenses. Whether or not the transactions contemplated hereby are consummated pursuant hereto, (i) the fees and expenses associated with the Reclassification Transaction, including without limitation amending the governance documents of SRE or SRE GP (including without limitation, the SRE Limited Partnership Agreement and the SRE GP Limited Liability Company Agreement) in connection with the Reclassification Transaction, shall be borne by SRE, and (ii) the fees and expenses associated with negotiating and consummating the transactions contemplated by this Agreement, the Other Transaction Agreements, the indicative term sheet setting forth the terms of this Agreement and the Other Transaction Agreements, structuring the transactions contemplated hereby and thereby, and amending the governance documents of each of SRE, SIRA and SPD (including without limitation, the SRE Limited Partnership Agreement and the SRE GP Limited Liability Company Agreement) to reflect the governance changes in connection with entering into the transactions contemplated by this Agreement and the Other Transaction Agreements, shall be pooled and shall be borne 50% by SSG, one-sixth by SRE, one-sixth by SIRA, and one-sixth by SPD. Each Party hereto shall pay all other fees and expenses incurred by it or on its behalf in connection with the consummation of the transactions contemplated hereby. For the avoidance of doubt, the amount of the fees and expenses paid or payable by any party pursuant to this Section 9.9 shall be treated as transaction expenses and not reflected in any calculation hereunder of budgeted or actual adjusted net income of any party.

9.10 Counterparts. References in this Agreement to Sections and Section numbers are to Sections and Section numbers of this Agreement unless the context otherwise specifies or requires. The words “party” or “parties” shall refer to parties to this Agreement. The Parties hereto accordingly agree that, prior to the valid termination of this Agreement pursuant to Article VIII, each Party shall be entitled to specific performance of the terms hereof, including an injunction or injunctions, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, as applicable, in a court determined pursuant to Section 9.13, this being in addition to any other remedy to which they are entitled at law or in equity. Each Party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such Order.

9.13 Forum; Service of Process. Each Party hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Each Party hereto agrees that service of summons and complaint or any other process that might be served in any action or proceeding may be made on such party by sending or delivering a copy of the process to the party to be served at the address of the party and in the manner provided for the giving of notices in Section 9.2; provided, however, that nothing in this Section 9.13 shall affect the right of any party to serve legal process in any other manner permitted by Law. Each Party hereto agrees that a final, non-appealable judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law.

9.14 Governing Law. This Agreement shall be governed by the Laws of the State of Delaware, excluding choice of law principles that would require the application of the Laws of a jurisdiction other than the State of Delaware.

TRANSACTION AGREEMENT

This TRANSACTION AGREEMENT (this "Agreement"), dated as of February 7, 2024, is by and among StepStone Group Inc., a Delaware corporation ("STEP"), StepStone Group LP, a Delaware limited partnership ("SSG", and together with STEP, "StepStone"), StepStone Group Real Assets LP, a Delaware limited partnership ("SIRA"), James O'Leary, solely in his capacity as the representative of the Sellers under this Agreement (the "Asset Class Head"), and each equityholder of SIRA identified as a Seller on Schedule C attached hereto (each, a "Seller", and collectively, the "Sellers", and together with STEP, SSG, SIRA, the Asset Class Head, each a "Party" and collectively, the "Parties").

RECITALS

WHEREAS, to support the ongoing operational integration of business practices and to enhance client and staff experiences at StepStone and SIRA, the Parties desire to enter into this Transaction Agreement to facilitate the medium to long-term economic integration of the Parties;

WHEREAS, in furtherance of the purposes in the foregoing recital, the Parties intend for the Sellers to exchange, in a series of transactions, the Sellers' equity interests in SIRA for equity interests in SSG (or cash in lieu of a portion thereof) (collectively, the "Transactions", and each such exchange, an "Exchange");

WHEREAS, substantially concurrently with the execution and delivery of this Agreement, StepStone has separately entered into (i) a transaction agreement (the "SRE Transaction Agreement") with StepStone Group Real Estate LP, a Delaware limited partnership ("SRE"), certain equityholders of SRE parties thereto (the "SRE Sellers") and the seller representative of SRE (the "SRE Asset Class Head"), and (ii) a transaction agreement (the "SPD Transaction Agreement") with Swiss Capital Alternative Investments AG, a private company limited by shares incorporated in the canton of Zurich ("SPD"), SC Partner LP, a Cayman Islands exempted limited partnership (the "SPD Seller"), the seller representative of SPD (the "SPD Asset Class Head") and StepStone Europe Limited, a private limited liability company incorporated in England;

WHEREAS, subject to the terms and conditions in this Agreement, including with respect to any Acceleration Exchange, Termination Acceleration Exchange and Change of Control Exchange (each as defined below), the Parties intend to consummate ten (10) annual Exchanges, or up to fifteen (15) annual Exchanges as set forth herein, with the first Exchange to be conducted with a reference date of April 1, 2024 (the "Initial Reference Date") and to be consummated promptly following the Initial Reference Date upon the satisfaction or waiver of the conditions set forth in this Agreement applicable to such Exchange, and the subsequent Exchanges to be conducted with a reference date of each of the next succeeding anniversaries of the Initial Reference Date (such dates, together with the Initial Reference Date, each, a "Reference Date") and to be consummated promptly following each applicable Reference Date upon the satisfaction or waiver of the conditions set forth in this Agreement applicable to such Exchanges;

WHEREAS, the Parties intend that, at the consummation of the last Exchange or the Acceleration Exchange (as defined below), SSG will own one hundred percent (100%) of all the outstanding equity interests of SIRA currently not owned by SSG; and

WHEREAS, as a condition and inducement to STEP and SSG to enter into this Agreement and as a condition to each Closing, each Seller desires to, by executing this Agreement, enter into a Power of Attorney (as defined below) in the form attached hereto as Annex D, appointing the Asset Class Head and any other Person or Persons referred to therein, and each of them, as such Seller's attorneys-in-fact with authority to act on behalf of such Seller in connection with the Transactions, and each Seller, the Asset Class Head, and SIRA agree to use

best efforts to deliver SSG and STEP a duly executed, witnessed, accepted by the principal and notarized (in each case, to the extent required by applicable Laws) Power of Attorney as promptly as possible (and in any event within fifteen (15) days of this Agreement).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties hereby agree as follows:

ARTICLE I THE EXCHANGE

1.1 The Exchange.

(a) Upon the terms and subject to the conditions of this Agreement, at each Closing (as defined below), each Participating Seller (as defined below) shall sell, convey, assign, transfer and deliver to SSG, and SSG shall purchase, acquire and accept from each Seller, all of such Seller's right, title and interest in and to such amount of Equity Securities of SIRA in accordance with the principles set forth on Schedule A attached hereto (the "Seller Exchange Schedule"); provided, that, the Asset Class Head may modify the Seller Exchange Schedule no later than ten (10) days prior to the Reference Date of such Exchange with the prior written approval by the GP Board (unless such modifications are consistent with the methodology stated in the Seller Exchange Schedule and reflect only changes in ownership due to transfers among the Sellers or other active employees of SIRA, in which case the written approval of the GP Board is not required); provided, however, that, in the event the Seller Exchange Schedule is substantially modified by the Asset Class Head, the Asset Class head shall, in good faith, notify and consult with the Sellers regarding the changes in circumstances relating to any such modification; provided, further, that, any such modification shall not change the aggregate amount of Equity Securities of SIRA being exchanged in such Exchange, which shall, in the aggregate, equal the amount of Equity Securities of SIRA set forth on Schedule B attached hereto (the "Annual Exchange Schedule") opposite the Reference Date of such Exchange. For purposes of this Agreement, (i) any Equity Securities of SIRA exchanged pursuant to this Agreement may be referred to as the "Exchanged Units"; (ii) any Seller who participates in an Exchange may be referred to as a "Participating Seller" for purposes of such Exchange; and (iii) a "Participation Percentage" with respect a Participating Seller in an Exchange shall mean a percentage representing (x) the Exchanged Units delivered by such Participating Seller in such Exchange *divided by* (y) the aggregate Exchanged Units delivered by all Participating Sellers in such Exchange.

(b) In exchange therefor, at each Closing (except with respect to an Acceleration Exchange, which shall be governed by Section 1.6), SSG shall convey to each Participating Seller such Participating Seller's Individual Exchange Value by (i) delivering to such Participating Seller an amount in cash equal to (x) the Reduced Baseline Value *multiplied by* the Cash Election Percentage with respect to such Participating Seller for such Exchange as determined pursuant to Section 1.3, *plus* (y) the Fractional Unit Payment, and (ii) issuing to such Participating Seller the number of whole SSG Class D Units (rounded down to the nearest whole SSG Class D Unit) equal to (x) (A) the Individual Exchange Value *less* (B) the cash amount delivered pursuant to the foregoing clause (i)(x), *divided by* (y) the STEP 30-Day VWAP. Any SSG Class D Units issued by SSG to the Sellers pursuant to his Agreement may be referred to herein as the "Consideration Units".

(c) At each Closing, each Participating Seller shall also convey, assign, transfer and deliver to SSG all of such Participating Seller's right, title and interest in and to a number of membership interests of SIRA GP, for no additional consideration, equal to (i) such Participating Seller's Participation Percentage in such Exchange *multiplied by* (ii) the number of total issued and outstanding membership interests of SIRA GP *multiplied by* (iii) the Equity Percentage with respect to such Exchange.

(d) In lieu of the issuance of any fractional SSG Class D Unit, any Seller who would otherwise have been entitled to a fraction of a SSG Class D Unit pursuant to the terms of this Agreement shall be paid cash,

without interest (the “Fractional Unit Payment”), in an amount equal to (i) the fractional SSG Class D Unit to which such Seller would otherwise be entitled under Article I of this Agreement *multiplied by* (ii) the STEP 30-Day VWAP, and rounded to the nearest cent.

1.2 Closing.

(a) The closing of any Exchange (each a “Closing”) shall take place remotely via electronic exchange of documents and signatures, as promptly as practicable following, but in no event later than, the third (3rd) Business Day after the satisfaction or waiver of each of the conditions set forth in Article II of this Agreement applicable to such Closing (other than, but subject to satisfaction of, the conditions to be satisfied on the applicable Closing Date); provided, however, in no event shall a Closing take place prior to the first (1st) Business Day after the latest of (i) the last day of the determination period for the STEP 30-Day VWAP for such Exchange, (ii) the date on which STEP issues its audited financial statements for its latest fiscal year ending prior to the Closing (the “STEP Audited Financials”), and (iii) the date on which the Adjustment Statement is delivered in respect of the preceding Exchange. For purposes of this Agreement, the date of the Closing with respect to an Exchange may be referred to as the “Closing Date” of such Exchange, and the effective time of the Closing with respect to an Exchange may be referred to as the “Effective Time” of such Exchange.

(b) The failure to consummate an Exchange on the date and time determined pursuant to Section 1.2(a) shall not result in the termination of this Agreement or relieve any Party of any of its obligations under this Agreement.

1.3 Cash Election. For each Exchange other than the first Exchange, the Asset Class Head may deliver to SSG a notice (a “Cash Election Notice”) setting forth a percentage of the Reduced Baseline Value of such Exchange to be settled in cash for each Participating Seller (such percentage, the “Cash Election Percentage”); provided, that, for the first Exchange, the Cash Election Percentage for each Participating Seller shall be ten percent (10%) (except as otherwise designated by the Asset Class Head and notified to SSG within ten (10) days of this Agreement); provided, further, in no event shall the aggregate cash settlement amount to be paid in the first Exchange exceed ten percent (10%) of the Baseline Exchange Value of the first Exchange, and in no event shall the aggregate cash settlement amount to be paid in any subsequent Exchange exceed twenty percent (20%) of the Reduced Baseline Value of such Exchange; provided, further, that upon the request of the Asset Class Head, SSG shall consider in good faith increasing such permitted cash settlement amount if the Sellers would experience materially greater aggregate tax liability in one or more Exchanges than previously anticipated. Each Cash Election Notice shall be delivered by May 1 of the year prior to the Reference Date of such Exchange. In the event that no Cash Election Notice is properly and timely delivered for an Exchange, the Cash Election Percentage for each Participating Seller shall be deemed to be zero with respect to such Exchange. Upon receipt of a Cash Election Notice properly and timely delivered, subject to the restrictions under applicable Law, any governance documents of STEP and SSG, and any credit agreement, loan agreement, note, indenture or other financing agreements under which STEP or SSG is bound, and subject to the receipt of any applicable stockholder or regulatory approval, SSG, at its sole discretion, shall use commercially reasonable efforts to deliver, or cause to be delivered, the cash portion of the Baseline Exchange Value (or, for each Exchange other than the first Exchange, the Reduced Baseline Value); provided, that, to the extent SSG does not deliver, or cause to be delivered, all or a portion of such cash consideration, the cash portion shall be reduced and, consequently, the number of Consideration Units deliverable shall be increased.

1.4 Distribution Adjustments. It is intended that any distributions made by SIRA in respect of the Exchanged Units with respect to any period ending prior to the Reference Date for an Exchange will inure to the benefit of the Participating Sellers; and that the Consideration Units issued in such Exchange shall entitle the Participating Sellers to receive any distributions made by SSG with respect to any period commencing on or after the applicable Reference Date. In the event any such distributions are paid or made to a Person in a manner inconsistent with such intent, then the Parties shall make appropriate adjustments (i) to the consideration delivered in such Exchange or in the subsequent Exchanges or (ii) to distributions or other payments made by SSG with respect to the Consideration Units after the applicable Reference Date.

1.5 True-Up.

(a) Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after each issuance of the STEP Audited Financials, SSG shall deliver to the Asset Class Head a statement (an “Adjustment Statement”) setting forth SSG’s re-calculation of the Exchange Value of the last Exchange by applying the Applicable SIRA Multiple as of the preceding Reference Date to the actual Adjusted Net Income of SIRA (rather than SIRA Budget ANI) used to prepare the STEP Audited Financials (such recalculated amount, the “Final Exchange Value”). An “Upward Adjustment Amount” shall exist to the extent (if any) of the positive difference between (w) the Final Exchange Value and (x) the Exchange Value originally calculated and used for such Exchange (the “Original Exchange Value”); and a “Downward Adjustment Amount” shall exist to the extent (if any) of the positive difference between (y) the Original Exchange Value and (z) the Final Exchange Value.

(b) Upward Adjustment. If an Upward Adjustment Amount exists, then in the current year Exchange, (i) for any Person who is a Participating Seller in the current year Exchange, the Individual Exchange Value to be delivered to such Person shall equal (x) the Reduced Baseline Value to be delivered to such Person in such Exchange *plus* (y) the product of (A) the Upward Adjustment Amount *multiplied by* (B) such Person’s Participation Percentage in the Exchange for which the Adjustment Statement is provided (the “Original Exchange”), and (ii) for any Person who was a Participating Seller in the Original Exchange but is not a Participating Seller in the current year Exchange, then at the Closing of the current year Exchange (or if the Original Exchange is the final Exchange for such Person, then as soon as practicable following the date on which STEP issues the STEP Audited Financials for the current year Exchange), SSG shall (x) issue such Person an additional amount of Consideration Units (rounded down to the nearest whole Consideration Unit) equal to (A) the Upward Adjustment Amount *multiplied by* (B) such Person’s Participation Percentage in the Original Exchange, *divided by* (C) the STEP 30-Day VWAP, and (y) pay such Person an amount of cash equal to the Fractional Unit Payment. For the avoidance of doubt, any reference to Upward Adjustment Amount in this paragraph shall be a reference to the Upward Adjustment Amount with respect to the Original Exchange.

(c) Downward Adjustment. If a Downward Adjustment Amount exists, then in the current year Exchange, (i) for any Person who is a Participating Seller in the current year Exchange, (x) the Reduced Baseline Value to be delivered to such Person shall be reduced by an amount equal to the product of (A) the Downward Adjustment Amount *multiplied by* (B) such Person’s Participation Percentage in the Original Exchange, and (y) the Individual Exchange Value to be delivered to such Person shall equal the Reduced Baseline Value as adjusted by the foregoing Section 1.5(c)(i)(x), (ii) for any Person who was a Participating Seller in the Original Exchange but is not a Participating Seller in the current year Exchange, then, at SSG’s option, (x) such Person shall promptly (and in any event within thirty (30) days) pay SSG an amount of cash equal to (A) the Downward Adjustment Amount, *multiplied by* (B) such Person’s Participation Percentage in the Original Exchange, or (y) an amount equal to (A) the Downward Adjustment Amount, *multiplied by* (B) such Person’s Participation Percentage in the Original Exchange, shall be carried forward to the next succeeding future Exchange(s) participated by such Person. To the extent the Individual Exchange Value would fall below zero as a result of an adjustment pursuant to this Section 1.5(c), then, at SSG’s option, (1) any Person who was a Participating Seller in the Original Exchange shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to (x) the remaining Downward Adjustment Amount, *multiplied by* (y) such Person’s Participation Percentage in the Original Exchange, or (2) an amount equal to (x) the remaining Downward Adjustment Amount, *multiplied by* (y) such Person’s Participation Percentage in the Original Exchange, shall be carried forward to the next succeeding future Exchange(s) participated by such Person. To the extent any remaining balance of the applicable portion of any Downward Adjustment Amount exists immediately after the Closing of the final Exchange with respect to a Seller, such Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to such remaining balance. Each Seller acknowledges and agrees that, in the event that a Seller does not timely pay SSG any cash amount payable by such Seller to SSG pursuant to this Section 1.5(c), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG or its Affiliates to such Seller or its Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise

Table of Contents

payable by SSG or its Affiliates to such Seller or its Affiliates. For the avoidance of doubt, any reference to Downward Adjustment Amount in this paragraph shall be a reference to the Downward Adjustment Amount with respect to the Original Exchange.

1.6 Acceleration Exchange.

(a) Acceleration Exchange. At any point following the Exchange with respect to the April 1, 2028 Reference Date, the Majority Holders and SSG may, by mutual agreement, elect to accelerate the remaining annual Exchanges in one final Exchange as of the Reference Date immediately following such election. Each Seller agrees that in the event the Majority Holders and SSG so elect to accelerate the remaining annual Exchanges, the Majority Holders and SSG may, in their sole discretion, require each Seller to sell and surrender all Equity Securities of SIRA held by such Seller in such final Exchange. For purposes of this Agreement, such final Exchange may be referred to as the “Acceleration Exchange”.

(b) Holdback. At the Closing of the Acceleration Exchange, Consideration Units representing fifty percent (50%) of the Reduced Baseline Value (the “Holdback”) shall not be issued by SSG but shall instead be held back to facilitate a true-up following the issuance of the STEP Audited Financials for the Final Projection Year (it being understood that, without limiting the provisions set forth in Section 1.3, the Cash Election Percentage for such Acceleration Exchange shall not exceed fifty percent (50%) for any Seller). For the avoidance of doubt, the Holdback shall not include any cash consideration included in the Reduced Baseline Value. SSG shall pay to the Participating Sellers (in proportion to their respective Participation Percentages for such Acceleration Exchange) an amount equal to all dividends, distributions (including tax distributions) and other income with respect to fifty percent (50%) of the unissued Consideration Units included in the Holdback, which payment shall be made at the same time as such dividends, distributions and other income are distributed or paid to the other partners of SSG generally in accordance with the terms of the SSG LPA; SSG shall pay to the Participating Sellers (in proportion to their respective Participation Percentages for such Acceleration Exchange) an amount equal to all dividends, distributions and other income with respect to the other fifty percent (50%) of the unissued Consideration Units included in the Holdback, which payment shall be made at such time as, and to the extent, the Participating Sellers become entitled to such Consideration Units.

(c) Acceleration Exchange Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after the issuance of the STEP Audited Financials for the Final Projection Year, SSG shall deliver to the Asset Class Head a statement (the “Acceleration Exchange Adjustment Statement”) setting forth SSG’s re-calculation of the Exchange Value of the Acceleration Exchange by applying the Applicable SIRA Multiple as of the Reference Date of the Acceleration Exchange to the Actual Acceleration SIRA ANI (rather than Acceleration SIRA Budget ANI) (such recalculated amount, the “Final Acceleration Exchange Value”). An “Upward Acceleration Exchange Adjustment Amount” shall exist to the extent (if any) of the positive difference between the Final Acceleration Exchange Value and the Exchange Value originally calculated and used for the Acceleration Exchange (the “Original Acceleration Exchange Value”); and a “Downward Acceleration Exchange Adjustment Amount” shall exist to the extent (if any) of the positive difference between the Original Acceleration Exchange Value and the Final Acceleration Exchange Value.

(d) No Adjustment. If the Final Acceleration Exchange Value equals the Original Acceleration Exchange Value, SSG shall promptly (and in any event within thirty (30) days of the date of determination of the Final Acceleration Exchange Value) release the Holdback to each Participating Seller in proportion to such Participating Seller’s Participation Percentage.

(e) Upward Acceleration Exchange Adjustment. Upon the delivery of the Acceleration Exchange Adjustment Statement, if an Upward Acceleration Exchange Adjustment Amount exists, SSG shall promptly deliver to each Participating Seller in such Acceleration Exchange (i) such Participating Seller’s Participation Percentage of amounts in the Holdback, (ii) cash equal to the Fractional Unit Payment, and (iii) a number of issued Consideration Units (rounded down to the nearest whole Consideration Unit) equal to (x) such

Table of Contents

Participating Seller's Participation Percentage of the Upward Acceleration Exchange Adjustment Amount (net of any Downward Adjustment carried forward pursuant to Section 1.5(c)) *divided by* (y) the STEP 30-Day VWAP.

(f) Downward Acceleration Exchange Adjustment. Upon the delivery of the Acceleration Exchange Adjustment Statement, if a Downward Acceleration Exchange Adjustment Amount exists, SSG shall (i) retain for SSG's account from the Holdback an amount equal to the Downward Acceleration Exchange Adjustment Amount (together with all dividends, distributions and other income with respect to the relevant unissued Consideration Units) (the remaining Holdback after such deduction, the "Adjusted Holdback"), and (ii) following the completion of step (i), promptly release the Adjusted Holdback, if any, to each Participating Seller in proportion to such Participating Seller's Participation Percentage for such Acceleration Exchange, in each case net of any Downward Adjustment for such Participating Seller carried forward pursuant to Section 1.5(c).

(g) Further Adjustment. In the event the Downward Acceleration Exchange Adjustment Amount exceeds the Exchange Value of the Holdback, each Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to (i) such Participating Seller's Participation Percentage of (ii) (x) the Downward Acceleration Exchange Adjustment Amount *less* (y) the Exchange Value of the Holdback. Each Seller acknowledges and agrees that, in the event that a Seller does not timely pay SSG any cash amount payable by such Seller to SSG pursuant to this Section 1.6(g), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG or its Affiliates to such Seller or its Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise payable by SSG or its Affiliates to such Seller or its Affiliates.

(h) Termination Acceleration Exchange. With respect to any Seller who is terminated (with or without cause), resigns or retires (an "Acceleration Party"), such Seller's remaining Equity Securities in SIRA shall be treated as set forth in Annex C attached hereto.

(i) Change of Control Exchange. If a Change of Control of STEP or SSG shall occur, then the Exchanges provided for herein shall continue as scheduled; provided, that:

(i) the STEP Multiple for all Exchanges occurring on or after the date of the Change of Control shall be the lower of (x) 40 and (y) the STEP Multiple implied by the fair value (as determined in good faith by the Board of Directors of STEP (the "STEP Board")) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; provided, however, that this Section 1.6(i)(i) shall be subject to Section 1.8, and the provisions relating to Skipped Exchanges shall apply, if the applicable STEP Multiple as determined in accordance with the foregoing is below 16;

(ii) for the purposes of subsequent calculations of the Exchange Value, the Exchange Value shall be calculated based on the fair value (as determined in good faith by the STEP Board) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; and

(iii) the Exchange Value to be delivered to each Participating Seller for Exchanges occurring on or after the effective date of the Change of Control shall be payable in the kind of securities, cash or other property paid in such Change of Control to other equityholders of STEP or SSG (such securities, cash or other property, the "Reference Property," and the amount and kind of Reference Property that a holder of one Consideration Unit would be entitled to receive, a "Reference Property Unit"); provided, that, (x) if the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of equityholder election, then the composition of the Reference Property Unit shall be deemed to be the weighted average of the types and amounts actually received by the other equityholders of STEP or SSG in the Change of Control transaction, and (y) if the Reference Property consists of equity securities that are not Publicly Traded Securities, STEP and SSG shall use commercially reasonable efforts, acting in good faith, to structure the Change of Control transaction to avoid a disproportionate and materially adverse effect on the Sellers relative to the other equityholders of STEP or SSG party to such Change of Control transaction.

1.7 Adjustment for Reclassification. If the number of outstanding Equity Securities of STEP, SSG or SIRA have been changed into a different number of units or a different class (including by reason of any reclassification, unit split (including a reverse unit split), recapitalization, split-up, combination, exchange of units, readjustment or other similar transaction), or if a unit dividend or unit distribution thereon is declared, the relevant provisions of this Agreement shall be equitably adjusted to reflect such change so as to provide SSG and Sellers the same economic effect as contemplated by this Agreement prior to such event; provided, that nothing in this Section 1.7 shall be deemed to permit or authorize SIRA to effect any such change that it is not authorized or permitted to undertake.

1.8 Limitations on Exchanges.

(a) Notwithstanding the other provisions of this Article I, none of the Sellers shall be obligated to effect any Exchange if the STEP Multiple with respect to such Exchange is below 16 (such Exchange, a "Skipped Exchange").

(b) Notwithstanding the provisions of this Article I, neither STEP nor SSG shall be obligated to effect any Exchange if, after giving effect to such Exchange, STEP and/or SSG would have issued, pursuant to the terms of this Agreement and/or the Other Transaction Agreements, more than an aggregate of 75 million Consideration Units and/or Consideration Securities (as such term is defined in each Other Transaction Agreement) (the "Aggregate Equity Limit"). To the extent an Exchange would otherwise result in the issuance of Consideration Units in excess of the Aggregate Equity Limit, STEP or SSG may, at its option and in its sole discretion, (i) increase the Cash Election Percentage for such Exchange (notwithstanding the cap set forth in Section 1.3) so as to complete such Exchange without exceeding the Aggregate Equity Limit, or (ii) increase the Aggregate Equity Limit; provided, that, upon the request of the Asset Class Head, STEP and/or SSG shall consider in good faith using its commercially reasonable efforts to effectuate the foregoing clause (ii) (and failing that, the foregoing clause (i)).

(c) For the avoidance of doubt, no Closing shall occur with respect to a Skipped Exchange and Sellers shall not be required to sell, convey or deliver Equity Securities of SIRA in connection with such Skipped Exchange.

(d) In the event of a Skipped Exchange, the Exchanged Units that would otherwise have been subject to such Exchange (i) shall be subject to the next annual Exchange for which the STEP Multiple is equal to or greater than 16 or the Aggregate Equity Limit has not been exceeded, as applicable, (ii) the Exchange Value for such Exchanged Units shall be calculated using the actual Adjusted Net Income of SIRA (rather than SIRA Budget ANI) for the fiscal year that was the subject of the Skipped Exchange and (iii) no true-up pursuant to Section 1.5 shall be made with respect to such Exchanged Units.

1.9 Extension of Exchanges. (a) Intended Tax Treatment. For U.S. federal income and other applicable tax purposes, the Parties shall treat (i) the Reference Date as the closing date for each Exchange for purposes of Tax reporting to the extent permitted under applicable Tax law, (ii) each Exchange (A) as an exchange under Section 721(a) of the Code to the extent SSG Class D Units are received in exchange for SIRA equity interests and (B) as a sale under Section 741 of the Code to the extent cash is received in exchange for SIRA equity interests or a transaction

described in Revenue Ruling 99-6, Situation 1, unless in each case otherwise required by applicable law as determined by SSG in its reasonable discretion. For U.S. federal income and other applicable tax purposes, the Participating Sellers shall be the owners of the Consideration Units included in the Holdback as of the Reference Date of the Acceleration Exchange unless otherwise required by applicable law as determined by SSG in its reasonable discretion.

(b) Closing of the Books. For purposes of determining the income, profit, loss, deduction or any other items allocable to the “partners” of SIRA for any tax period of SIRA that includes a Reference Date, such items will be determined using the interim closing method under Section 706 of the Code and Treasury Regulations Section 1.706-4, using the “calendar day” convention, effective as of the end of the day of the relevant Reference Date.

(c) Tax Distributions. Notwithstanding anything herein or in the SIRA Limited Partnership Agreement to the contrary, SIRA shall not be required to make any tax distributions pursuant to Section 4.6 of the SIRA Limited Partnership Agreement with respect to any tax liabilities arising from the transactions contemplated herein. For the avoidance of doubt and subject to the preceding sentence, each Seller shall continue to receive tax distributions pursuant to Section 4.6 of the SIRA Limited Partnership Agreement with respect to the Exchanged Units at all times prior to the relevant Reference Date for such Exchanged Units. No tax distributions shall be made to any Participating Sellers by SSG, SIRA or any of their Affiliates with respect to any Consideration Units included in the Holdback, except as otherwise specified in Section 1.6(b).

(d) Tax Information. Each Seller agrees to furnish to StepStone such tax-related information, documentation, certifications and representations as StepStone or its agents may from time to time reasonably request to comply with any legal, regulatory and tax (including withholding tax) requirements, including FATCA, as well as any informational reporting, disclosure or other similar requirements.

(e) SIRA Tax Certificates. To the extent it is able to make the representations contained therein, the SIRA GP or SIRA shall deliver a certificate to SSG that meets the requirements of Treasury Regulations Section 1.1445-11T(d)(2) at or prior to each Closing.

7.4 Public Announcements. No Seller shall make or issue any report, statement or press release or otherwise make any other public statement with respect to this Agreement and the Transactions without prior written approval of SSG. Each of STEP and SSG shall be entitled to make any report, press release or public statements with respect to this Agreement or the Transactions.

7.5 Power of Attorney.

(a) Each Seller hereby appoints the Asset Class Head as such Seller’s agent and attorney-in-fact (the “Attorney-in-Fact”) and instructs and authorizes the Attorney-in-Fact, in the name and on behalf of such Seller, to do or cause to be done all the things set forth in the Power of Attorney attached as Annex D hereto (the “Power of Attorney”). For the avoidance of doubt, such instruction and authorization shall be in addition to any instruction and authorization by such Seller pursuant to Section 9.16.

(b) The Asset Class Head and each Seller shall use such Party’s respective best efforts to obtain a fully executed, witnessed, accepted by the principal and notarized (in each case, to the extent required) Power of Attorney in compliance with either the New York General Obligations Law or applicable local Laws governing the enforceability of such Power of Attorney that would render such Power of Attorney enforceable in New York as reasonably determined by SSG in good faith and deliver a duly executed and notarized (if required) copy of such Power of Attorney to SSG and STEP as promptly as possible (and in any event within fifteen (15) days of this Agreement).

7.6 Reasonable Best Efforts. Subject to the terms and conditions of this Agreement, each of the Parties hereto shall (i) use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be

done, all things necessary, proper or advisable under applicable Laws to consummate the transactions contemplated by this Agreement and (ii) refrain from taking any actions that could reasonably be expected to impair, delay or impede the transactions contemplated by this Agreement. In the event of any breaches by any Seller of any terms of this Agreement, such breaches shall not affect the rest of the terms and conditions of this Agreement and all other Parties shall use reasonable best efforts to carry out the Transactions in such manner pursuant to the original intent of the Parties as closely as possible as contemplated by this Agreement.

ARTICLE VIII TERMINATION

8.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned; provided, that, in connection with any such termination by or made with agreement of SSG, SSG shall consult in good faith with the SRE Asset Class Head and the SPD Asset Class Head prior to the effectiveness of such termination:

(a) at any time, by mutual written agreement of SSG, the Asset Class Head and the Majority Holders; and

(b) if any Closing shall not have occurred on or before the first (1st) anniversary of the Reference Date for an Exchange (other than a Skipped Exchange) (each, an “Applicable Outside Date”), by either SSG or the Majority Holders; provided, however, that SSG or the Majority Holders, as the case may be, shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if a breach or failure to perform by the Asset Class Head or any Seller (in the case of termination by the Majority Holders) or SSG (in the case of termination by SSG) of any of its representations, warranties, covenants or obligations contained in this Agreement was the primary cause of, or primarily resulted in, the failure of a condition to consummate such Closing on or before the Applicable Outside Date.

8.2 Procedure and Effect of Termination

(a) Any Party desiring to terminate this Agreement pursuant to Section 8.1 shall give written notice of such termination to the other Parties to this Agreement. Except as set forth in this Section 8.2, in the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to this Section 8.2, (i) each Party’s representations and warranties shall survive any such termination of this Agreement for two (2) years and (ii) that the foregoing termination shall not relieve any Seller of any liability, damages or losses resulting from any fraud or any willful and material breach of any of its representations, warranties, covenants or agreements set forth in this Agreement. For purposes of this Agreement, “willful and material breach” shall mean any deliberate act or failure to act, which act or failure to act constitutes in and of itself a material breach of this Agreement, regardless of whether breaching was the conscious object of the act or failure to act.

(b) In the event this Agreement is terminated pursuant to Section 8.2, all filings, applications and other submissions made by any party hereto to any Person, including any Governmental Authority, in connection with the transactions contemplated hereby shall, to the extent practicable and not legally prohibited, be withdrawn from such Person by such party.

9.4 Amendment, Modification and Waiver. This Agreement or any portion thereof, including any Annexes and Exhibits, may be amended, modified or supplemented by written agreement signed by STEP, SSG and the Asset Class Head; provided, that, to the extent that any such amendment, supplement or modification would materially adversely affect the rights or obligations the Sellers under this Agreement, such amendment, supplement or modification may only be made with the prior written consent of the Majority Holders; provided further, that, to the extent any such amendment, supplement or modification would materially adversely and disproportionately affect the rights or obligations of any particular Seller or category of Sellers under this Agreement as compared to other Sellers generally, such amendment, supplement or modification may only be made with the prior written consent of such Seller or a majority in interest of the Sellers that would be so adversely and disproportionately affected; provided further, that, any such amendment, supplement or modification to the definition of "Engaging in Competitive Behavior" set forth on Annex C attached hereto may only be made with the prior written consent of each Party hereto. Any failure of the Sellers or the Asset Class Head to comply with any term or provision of this Agreement may be waived by SSG or STEP, and any

failure of SSG or STEP to comply with any term or provision of this Agreement may be waived by the Asset Class Head (on behalf of himself and the Sellers), at any time by an instrument in writing signed by or on behalf of such other party, but such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply. Further, neither the waiver by any of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder. Each Seller agrees that, to the extent all or a portion of this Agreement is amended, modified, supplemented or waived pursuant to the terms of this Section 9.4, such amendment, modification, supplement or waiver shall be binding on such Seller, regardless of whether such Seller provided consent to such amendment, modification, supplement or waiver (except if such consent is expressly required pursuant to this Section 9.4).

9.5 Entire Agreement. This Agreement, and the annexes, exhibits, schedules and other documents referred to herein which form a part hereof contain the entire understanding of the parties hereto with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, oral and written, with respect to its subject matter.

9.6 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid. If any term or other provision of this Agreement for any reason is declared invalid, illegal or unenforceable, such decision shall not affect the validity or enforceability of any of the other provisions of this Agreement, which other provisions shall remain in full force and effect and the application of such invalid or unenforceable provision to Persons or circumstances other than those as to which it is held invalid, illegal or unenforceable shall be valid and be enforced to the fullest extent permitted by applicable Law.

9.7 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of Law or otherwise, by any Party without the prior written consent of SSG or STEP (in the case of an assignment by the Asset Class Head or a Seller) or the Asset Class Head (in the case of an assignment by SSG or STEP), and any such assignment without such prior written consent shall be null and void; provided, however, that SSG and STEP each may assign in whole or a part of this Agreement to any Affiliate without the prior consent of any other Party to this Agreement; provided further, that no assignment shall limit the assignor's obligations or liabilities hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

9.8 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties to this Agreement and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

9.9 Fees and Expenses. Whether or not the transactions contemplated hereby are consummated pursuant hereto, (i) the fees and expenses associated with the Reclassification Transaction, including without limitation amending the governance documents of SIRA or SIRA GP (including without limitation, the SIRA Limited Partnership Agreement and the SIRA GP Limited Liability Company Agreement) in connection with the Reclassification Transaction, shall be borne by SIRA, and (ii) the fees and expenses associated with negotiating and consummating the transactions contemplated by this Agreement, the Other Transaction Agreements, the indicative term sheet setting forth the terms of this Agreement and the Other Transaction Agreements, structuring the transactions contemplated hereby and thereby, and amending the governance documents of each of SRE, SIRA and SPD (including without limitation, the SIRA Limited Partnership Agreement and the SIRA GP Limited Liability Company Agreement) to reflect the governance changes in connection with entering into the transactions contemplated by this Agreement and the Other Transaction Agreements, shall be pooled and shall be

borne 50% by SSG, one-sixth by SRE, one-sixth by SIRA, and one-sixth by SPD. Each Party hereto shall pay all other fees and expenses incurred by it or on its behalf in connection with the consummation of the transactions contemplated hereby. For the avoidance of doubt, the amount of the fees and expenses paid or payable by any party pursuant to this Section 9.9 shall be treated as transaction expenses and not reflected in any calculation hereunder of budgeted or actual adjusted net income of any party.

9.10 Counterparts. This Agreement may be executed in two or more counterparts (delivery of which may be via email as a portable document format (.pdf)), each of which will be deemed an original, and it will not be necessary in making proof of this Agreement or the terms of this Agreement to produce or account for more than one (1) of such counterparts.

9.11 Interpretation. The article and section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties and shall not in any way affect the meaning or interpretation of this Agreement. The words “include,” “includes” and “including” are deemed to be followed by the phrase “without limitation.” The words, “herein,” “hereto,” “hereof” and words of similar import refer to this Agreement as a whole, including any annexes, schedules and exhibits hereto, and not to any particular section, subsection, paragraph, subparagraph or clause contained in this Agreement. References in this Agreement to Sections and Section numbers are to Sections and Section numbers of this Agreement unless the context otherwise specifies or requires. The words “party” or “parties” shall refer to parties to this Agreement. References from or through any date mean, unless otherwise specified, from and including or through and including, respectively. The words “dollar” or “\$” shall mean U.S. dollars. The word “day” means calendar day unless Business Day is expressly specified. Any reference to the masculine, feminine or neuter gender shall include such other genders and any reference to the singular or plural shall include the other, in each case unless the context otherwise requires. If any action under this Agreement is required to be done or taken on a day that is not a Business Day, then such action shall be required to be done or taken not on such day but on the first succeeding Business Day thereafter. The provisions of this Agreement shall be construed according to their fair meaning and neither for nor against any party hereto irrespective of which party caused such provisions to be drafted. Each of the parties acknowledges that it has been represented by counsel in connection with the preparation and execution of this Agreement.

9.12 Enforcement of Agreement. Each Party agrees that irreparable damage may occur in the event that the parties hereto do not perform the provisions of this Agreement in accordance with the specific terms thereof or otherwise breach such provisions, and that money damages may not be an adequate remedy, even if available. The Parties hereto accordingly agree that, prior to the valid termination of this Agreement pursuant to Article VIII, each Party shall be entitled to specific performance of the terms hereof, including an injunction or injunctions, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, as applicable, in a court determined pursuant to Section 9.13, this being in addition to any other remedy to which they are entitled at law or in equity. Each Party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such Order.

9.13 Forum; Service of Process. Each Party hereto submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or, if such court does not have jurisdiction, any other state or federal court located in the State of Delaware, in any action or proceeding arising out of or relating to this Agreement, and agrees that all claims in respect of the action or proceeding may be heard and determined in any such court and agrees not to bring any action or proceeding arising out of or relating to this Agreement in any other court. Each Party hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Each Party hereto agrees that service of summons and complaint or any other process that might be

served in any action or proceeding may be made on such party by sending or delivering a copy of the process to the party to be served at the address of the party and in the manner provided for the giving of notices in Section 9.2; provided, however, that nothing in this Section 9.13 shall affect the right of any party to serve legal process in any other manner permitted by Law. Each Party hereto agrees that a final, non-appealable judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law.

9.14 Governing Law. This Agreement shall be governed by the Laws of the State of Delaware, excluding choice of law principles that would require the application of the Laws of a jurisdiction other than the State of Delaware.

9.15 WAIVER OF JURY TRIAL. TO THE FULLEST EXTENT PERMITTED BY LAW, THE PARTIES HERETO HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS TRANSACTION. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THE PARTIES HERETO ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. THE PARTIES HERETO FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH ITS, HIS OR HER, AS THE CASE MAY BE, LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

9.16 Asset Class Head.

(a) Appointment. Each of the Sellers agrees that it is desirable to designate James O'Leary as the initial Asset Class Head. The Asset Class Head is hereby named as the representative of the Sellers and as their attorney-in-fact, with full power of substitution to act on behalf of the Sellers to the extent and in the manner set forth in this Agreement and any other documents in connection with the Transactions. All decisions, actions, consents and instructions by the Asset Class Head with respect to this Agreement and any other documents in connection with the Transactions shall be binding upon all of the Sellers, and no such Seller shall have the right to object to, dissent from, protest or otherwise contest the same. STEP and SSG shall be entitled to rely on any decision, action, consent or instruction of the Asset Class Head as being the decision, action, consent or instruction of the Sellers, and STEP and SSG are hereby relieved from any liability to any Person for acts done by them in accordance with any such decision, act, consent or instruction. other actions that are either (i) necessary or appropriate in the judgment of the Asset Class Head for the accomplishment of the foregoing or (ii) specifically mandated by the terms of this Agreement. Notices or communications to or from the Asset Class Head shall constitute notice to or from the Sellers. Without limiting the generality of the foregoing, STEP and SSG are entitled to rely, without inquiry, upon any document delivered by the Asset Class Head as being genuine and correct and having been duly signed or sent by the Asset Class Head.

(b) Changes to the Asset Class Head. The Person acting as Head of Infrastructure & Real Assets of SIRA GP on the date of this Agreement shall initially be the Asset Class Head. In the event such Person ceases to be the Head of Infrastructure & Real Assets of SIRA GP, whether due to death, incapacity, resignation or otherwise, then in each case, (i) such Person shall automatically cease to be the Asset Class Head, and (ii) the individual elected by the Majority Holders shall become the Asset Class Head for all purposes under this Agreement.

(c) Authority. The grant of authority provided for in this Section 9.16 is coupled with an interest, is being granted, in part, as an inducement to STEP and SSG to enter into this Agreement and is in addition to the grant of authority provided in the Power of Attorneys, and (i) shall be irrevocable and survive the dissolution, liquidation or bankruptcy of any party or the death, incompetency, liquidation or bankruptcy of any Seller, shall be binding on any successor thereto and (ii) shall survive the assignment by any Seller of the whole or any portion of his, her or its interest under this Agreement.

(d) Each Seller hereby consents to the taking of any and all actions and the making of any decisions required or permitted to be taken or made by Asset Class Head pursuant to this Section 9.16. Each Seller agrees that the Asset Class Head shall have no obligation or liability to any Person for any action taken or omitted by her in good faith, and each Seller shall indemnify and hold harmless the Asset Class Head from, and shall pay to the Asset Class Head the amount of, or reimburse the Asset Class Head for, any loss that the Asset Class Head may suffer, sustain or become subject to as a result of any such action or omission by the Asset Class Head under this Agreement. The Asset Class Head may seek the advice of legal counsel in the event of any dispute or question as to the construction of any of the provisions of this Agreement or her duties hereunder, and, without limiting the foregoing, shall incur no liability in his capacity as the Asset Class Head to the Sellers and shall be fully protected with respect to any action taken, omitted or suffered by it in good faith in accordance with the advice of such counsel.

(e) Any expenses or liabilities incurred by the Asset Class Head in connection with the performance of its duties under this Agreement or any other documents in connection with the Transactions shall not be the personal obligation of the Asset Class Head but shall be payable by the Sellers.

1.1 The Exchange.

(a) Upon the terms and subject to the conditions of this Agreement, at each Closing (as defined below), the Seller shall sell, convey, assign, transfer and deliver to SSG (or to its nominee), and SSG (or its nominee) shall purchase, acquire and accept from the Seller, all of the Seller's right, title and interest in and to such amount of Equity Securities of SPD set forth in Schedule A attached hereto (the "Annual Exchange Schedule") for the Reference Date of the relevant Exchange. For purposes of this Agreement, any Equity Securities of SPD exchanged pursuant to this Agreement may be referred to as the "Exchanged Securities". The Exchanged Securities that are the subject of any Exchange shall correspond to the SCP Participations allocated among the SCP Partners in accordance with Section 1.9.

(b) In exchange therefor, at each Closing (except with respect to an Acceleration Exchange, which shall be governed by Section 1.6), SSG shall convey to the Seller the Adjusted Exchange Value by (i) pursuant to Section 1.3, delivering to the Seller an amount in cash equal to (x) the Reduced Exchange Value *multiplied* by the Cash Percentage for such Exchange, *plus* (y) the Fractional Equity Payment, and (ii) causing STEP to issue to the Seller the number of whole shares of STEP Class A Common Stock (rounded down to the nearest whole share of STEP Class A Common Stock) (the "Consideration Securities") equal to (x) (A) the Adjusted Exchange Value *less* (B) the cash amount delivered pursuant to the foregoing clause (i)(x), *divided* by (y) the STEP 30-Day VWAP. Additionally, at the Closing of the Fifth Exchange (or, if applicable, an Acceleration Exchange), SSG shall make payment in cash to the Seller of the liquidation preference compensation amount in respect of the Exchanged Securities in such Exchange which are Preferred Shares CHF 100 (as set forth in Schedule A attached hereto), which shall be in an aggregate amount equal to CHF 4,860,863.50.

(c) In lieu of the issuance of any fractional share of STEP Class A Common Stock, if the Seller would otherwise have been entitled to a fractional share of STEP Class A Common Stock pursuant to the terms of this Agreement, then the Seller shall be paid cash, without interest (the "Fractional Equity Payment"), in an amount equal to (i) the fractional share of STEP Class A Common Stock to which the Seller would otherwise be entitled under Article I of this Agreement *multiplied* by (ii) the STEP 30-Day VWAP, and rounded to the nearest cent.

1.5 True-Up.

(a) Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after each issuance of the STEP Audited Financials, SSG shall deliver to the Asset Class Head a statement (an “Adjustment Statement”) setting forth SSG’s re-calculation of the Exchange Value of the last Exchange by applying the Applicable SPD Multiple as of the preceding Reference Date to the actual Adjusted Net Income of SPD (rather than the SPD Budget ANI) used to prepare the STEP Audited Financials (such recalculated amount, the “Final Exchange Value”). An “Upward Adjustment Amount” shall exist to the extent (if any) of the positive difference between (w) the Final Exchange Value and (x) the Exchange Value originally calculated and used for such Exchange (the “Original Exchange Value”); and a “Downward Adjustment Amount” shall exist to the extent (if any) of the positive difference between (y) the Original Exchange Value and (z) the Final Exchange Value.

(b) Upward Adjustment. If an Upward Adjustment Amount exists, then STEP shall, at the Closing of the current year’s Exchange, (x) issue an additional amount of Consideration Securities (rounded down to the nearest whole Consideration Security) to the Seller equal to (A) the Upward Adjustment Amount divided by (B) the STEP 30-Day VWAP and (y) pay or cause to be paid to the Seller an amount of cash equal to the applicable Fractional Equity Payment. For the avoidance of doubt, any reference to Upward Adjustment Amount in this paragraph shall be a reference to the Upward Adjustment Amount with respect to the preceding Exchange.

Table of Contents

(c) Downward Adjustment. If a Downward Adjustment Amount exists, then in the current year Exchange (x) the Reduced Exchange Value shall be decreased by the Downward Adjustment Amount and (y) the Adjusted Exchange Value shall equal the Reduced Exchange Value as adjusted pursuant to clause (x). To the extent the Reduced Exchange Value would fall below zero as a result of an adjustment pursuant to this Section 1.5(c), then, at SSG's option, (i) the Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to the remaining Downward Adjustment Amount or (ii) the remaining Downward Adjustment Amount shall be carried forward to the next succeeding future Exchange(s). To the extent any remaining balance of the applicable portion of any Downward Adjustment Amount exists immediately after the Closing of the final Exchange, the Seller shall promptly (and in any event within thirty (30) days) pay SSG or its designee an amount in cash equal to such remaining balance. The Seller acknowledges and agrees that, in the event that the Seller does not timely pay SSG any cash amount payable by the Seller to SSG pursuant to this Section 1.5(c), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG or its Affiliates to the Seller or its Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise payable by SSG or its Affiliates to the Seller or its Affiliates. For the avoidance of doubt, any reference to Downward Adjustment Amount in this paragraph shall be a reference to the Downward Adjustment Amount with respect to the preceding Exchange.

1.6 Acceleration Exchange.

(a) Acceleration Exchange. At any point following the Exchange with respect to the April 1, 2028 Reference Date, SSG and the Seller, acting with an SCP Partner Majority, may, by mutual agreement, elect to accelerate the remaining annual Exchanges in one final Exchange as of the Reference Date immediately following such election. If such election is so made, then the Seller shall sell and surrender all Equity Securities of SPD held by the Seller in such final Exchange. For purposes of this Agreement, such final Exchange may be referred to as the "Acceleration Exchange".

(b) Holdback. At the Closing of the Acceleration Exchange, Consideration Securities representing fifty percent (50%) of the Reduced Exchange Value (the "Holdback") shall not be issued by STEP but shall instead be held back to facilitate a true-up following the issuance of the STEP Audited Financials for the Final Projection Year. For the avoidance of doubt, the Holdback shall not include any cash consideration included in the Reduced Exchange Value. SSG shall pay to the Seller an amount equal to all dividends, distributions and other income with respect to fifty percent (50%) of the unissued Consideration Securities included in the Holdback (net of any withholding due under applicable law with respect to dividends, distributions and other income with respect to such Consideration Securities pursuant to Section 2.4) which payment shall be made at the same time as such dividends, distributions and other income are distributed or paid to the equityholders of STEP generally in accordance with the terms of STEP's organizational documents; SSG shall pay to the Seller an amount equal to all dividends, distributions and other income with respect to the other fifty percent (50%) of the unissued Consideration Securities included in the Holdback (net of any withholding due under applicable law with respect to dividends, distributions and other income with respect to such Consideration Securities pursuant to Section 2.4), which payment shall be made at such time as, and to the extent, the Seller becomes entitled to such Consideration Securities.

(c) Acceleration Exchange Adjustment Statement. As soon as practicable, but in no event later than ten (10) days after the issuance of the STEP Audited Financials for the Final Projection Year, SSG shall deliver to the Asset Class Head a statement (the "Acceleration Exchange Adjustment Statement") setting forth SSG's re-calculation of the Exchange Value of the Acceleration Exchange by applying the Applicable SPD Multiple as of the Reference Date of the Acceleration Exchange to the Actual Acceleration SPD ANI (rather than Acceleration SPD Budget ANI) (such recalculated amount, the "Final Acceleration Exchange Value"). An "Upward Acceleration Exchange Adjustment Amount" shall exist to the extent (if any) of the positive difference between the Final Acceleration Exchange Value and the Exchange Value originally calculated and used for the Acceleration Exchange (the "Original Acceleration Exchange Value"); and a "Downward Acceleration Exchange

Table of Contents

Adjustment Amount” shall exist to the extent (if any) of the positive difference between the Original Acceleration Exchange Value and the Final Acceleration Exchange Value.

(d) No Adjustment. If the Final Acceleration Exchange Value equals the Original Acceleration Exchange Value, SSG shall promptly (and in any event within thirty (30) days of the date of determination of the Final Acceleration Exchange Value) release the Holdback to the Seller.

(e) Upward Acceleration Exchange Adjustment. If an Upward Acceleration Exchange Adjustment Amount exists, SSG shall promptly deliver or cause STEP to deliver to the Seller (i) the Holdback, (ii) cash equal to the Fractional Equity Payment, and (iii) a number of issued Consideration Securities (rounded down to the nearest whole Consideration Security) equal to (x) the Upward Acceleration Exchange Adjustment Amount (net of any Downward Adjustment carried forward pursuant to Section 1.5(c)), *divided by* (y) the STEP 30-Day VWAP.

(f) Downward Acceleration Exchange Adjustment. If a Downward Acceleration Exchange Adjustment Amount exists, SSG shall (i) retain for the account of STEP or SSG from the Holdback an amount equal to the Downward Acceleration Exchange Adjustment Amount (together with all dividends, distributions and other income with respect to the relevant unissued Consideration Securities) (the Holdback after such deduction, the “Adjusted Holdback”), and (ii) following the completion of step (i), promptly release the Adjusted Holdback, if any, to the Seller net of any Downward Adjustment carried forward pursuant to Section 1.5(c).

(g) Further Adjustment. In the event the Downward Acceleration Exchange Adjustment Amount exceeds the Exchange Value of the Holdback, the Seller shall promptly (and in any event within thirty (30) days) pay SSG an amount in cash equal to (i) the Downward Acceleration Exchange Adjustment Amount *less* (y) the Exchange Value of the Holdback. The Seller acknowledges and agrees that, in the event that the Seller does not timely pay SSG any cash amount payable by the Seller to SSG pursuant to this Section 1.6(g), SSG shall have the right to set off such cash amount against any dividends, distributions or other income allocations from SSG, STEP or their Affiliates to the Seller, the SCP Partners or their Affiliates and against any other amounts (including, to the extent permitted by applicable Law, employment compensation and expense reimbursements) otherwise payable by SSG or its Affiliates to the Seller, the SCP Partners or their Affiliates.

(h) Termination Acceleration Exchange. With respect to any SCP Partner who is terminated (with or without cause), resigns or retires (an “Acceleration Party”), the remaining Equity Securities in SPD held by the Seller that correspond to such SCP Partner’s equity interests in the Seller (on a look through basis) shall be treated as set forth in Annex C attached hereto.

(i) Change of Control Exchange. If a Change of Control of STEP or SSG shall occur, then the Exchanges provided for herein shall continue as scheduled; provided, that:

(i) the STEP Multiple for all Exchanges occurring on or after the date of the Change of Control shall be the lower of (x) 40 and (y) the STEP Multiple implied by the fair value (as determined in good faith by the Board of Directors of STEP (the “STEP Board”)) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; provided, however, that this Section 1.6(i)(i) shall be subject to Section 1.8, and the provisions relating to Skipped Exchanges shall apply, if the applicable STEP Multiple as determined in accordance with the foregoing is below 16; and

(ii) for the purposes of subsequent calculations of the Exchange Value, the Exchange Value shall be calculated based on the fair value (as determined in good faith by the STEP Board) of the consideration paid in such Change of Control for each share of STEP Class A Common Stock or unit of SSG, as applicable; and

(iii) the Exchange Value to be delivered to the Seller for Exchanges occurring on or after the effective date of the Change of Control shall be payable in the kind of securities, cash or other property paid in

Table of Contents

such Change of Control to other equityholders of STEP or SSG (such securities, cash or other property, the “Reference Property” and the amount and kind of Reference Property that a holder of one Consideration Security would be entitled to receive, a “Reference Property Security”); provided, that, (x) if the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of equityholder election, then the composition of the Reference Property Security shall be deemed to be the weighted average of the types and amounts actually received by the other equityholders of STEP or SSG in the Change of Control transaction, and (y) if the Reference Property consists of equity securities that are not Publicly Traded Securities, STEP and SSG shall use commercially reasonable efforts, acting in good faith, to structure the Change of Control transaction to avoid a disproportionate and materially adverse effect on the Seller relative to the other equityholders of STEP or SSG party to such Change of Control transaction.

1.7 Adjustment for Reclassification. If the number of outstanding Equity Securities of STEP or SPD has been changed into a different number of units or shares (as applicable) or a different class, including by reason of any reclassification, unit split (including a reverse unit split) or stock split (as applicable), recapitalization, split-up, combination, exchange of units or shares, readjustment or other similar transaction, or if a dividend or distribution thereon is declared, the relevant provisions of this Agreement shall be equitably adjusted to reflect such change so as to provide STEP, SSG and the Seller the same economic effect as contemplated by this Agreement prior to such event; provided, that nothing in this Section 1.7 shall be deemed to permit or authorize SPD to effect any such change that it is not authorized or permitted to undertake.

1.8 Limitations on Exchanges.

(a) Notwithstanding the other provisions of this Article I, the Seller shall not be obligated to effect any Exchange if the STEP Multiple with respect to such Exchange is below 16 (such Exchange, a “Skipped Exchange”).

(b) Notwithstanding the provisions of this Article I, neither STEP nor SSG shall be obligated to effect any Exchange if, after giving effect to such Exchange, STEP and/or SSG would have issued, pursuant to the terms of this Agreement and/or the Other Transaction Agreements, more than an aggregate of 75 million Consideration Securities and/or Consideration Units (as such term is defined in each Other Transaction Agreement) (the “Aggregate Equity Limit”). To the extent an Exchange would otherwise result in the issuance of Consideration Securities in excess of the Aggregate Equity Limit, STEP or SSG may, at its option and in its sole discretion, (i) increase the Cash Percentage for such Exchange so as to complete such Exchange without exceeding the Aggregate Equity Limit, or (ii) increase the Aggregate Equity Limit; provided that, upon the request of the Asset Class Head, STEP and/or SSG shall consider in good faith using its commercially reasonable efforts to effectuate the foregoing clause (ii) (and failing that, the foregoing clause (i)).

(c) For the avoidance of doubt, no Closing shall occur with respect to a Skipped Exchange, and the Seller shall not be required to sell, convey or deliver Equity Securities of SPD in connection with such Skipped Exchange.

(d) In the event of a Skipped Exchange, the Exchanged Securities that would otherwise have been subject to such Exchange (i) shall be subject to the next annual Exchange for which the STEP Multiple is equal to or greater than 16 or the Aggregate Equity Limit has not been exceeded, as applicable, (ii) the Exchange Value for such Exchanged Securities shall be calculated using the actual Adjusted Net Income of SPD (rather than SPD Budget ANI) for the fiscal year that was the subject of the Skipped Exchange and (iii) no true-up pursuant to Section 1.5 shall be made with respect to such Exchanged Securities.

1.9 Allocation Procedures. With respect to each Exchange, the Asset Class Head shall deliver to SSG an allocation notice (“Allocation Notice”), which shall set forth the proposed allocation of the Exchanged Securities set forth on the Annual Exchange Schedule opposite the applicable Reference Date of such Exchange among the SCP Participations of each SCP Partner, including the pro forma ownership of SCP Participations (and indirectly

of Consideration Securities) by the SCP Partners as a result of such Exchange. The Allocation Notice will be delivered (i) with respect to the first Closing, within ten (10) days of the date of this Agreement, and (ii) with respect to any other Closing, no later than February 1st of the corresponding year for the applicable Reference Date. SSG's approval of the allocation proposed in any Allocation Notice shall be required only if such allocation does not conform to the programme set out in Schedule C attached hereto, and such approval by SSG shall not be unreasonably withheld; provided that, if SSG does not agree to such proposed allocation, then the SCP Participations subject to the relevant Exchange shall be reallocated to conform to such programme. The Asset Class Head shall promptly and in any event (x) with respect to the first Closing, within twenty (20) days of the date of this Agreement, and (y) with respect to any other Closing, prior to the applicable Reference Date, deliver an exchange notice (an "Exchange Notice") to each SCP Partner, which shall set forth the amount of Exchanged Securities attributable to the SCP Participations of such SCP Partner in such Exchange. With respect to each Exchange, the Seller shall, reasonably promptly following the applicable Closing, distribute the applicable Consideration Securities and cash amounts to the applicable SCP Partners in accordance with the applicable allocation in redemption of the SCP Participations to which such Exchange is attributable (each such distribution, an "SCP Distribution"), and the Seller shall cause such changes in the SCP Participations as are appropriate to reflect the result of the Exchange and resulting SCP Distribution.

ARTICLE II CONDITIONS TO EACH CLOSING

2.1 Conditions to All Parties' Obligations to Close. The obligations of SSG and STEP, on the one hand, and of the Seller, on the other hand, to complete any Closing contemplated by this Agreement are subject to the fulfillment at or prior to such Closing of each of the following conditions (any or all of which may be waived in whole or in part by SSG with respect to SSG and STEP, or by the Seller as applicable):

(b) Registration Rights Agreement. The Registration Rights Agreement duly executed by STEP and the parties necessary for such agreement (as contemplated to be amended pursuant to this Agreement) to be effective (except for the Seller) shall have been delivered to the Seller; provided, that, no such agreement needs to be delivered if STEP has already delivered such agreement at a prior Closing and such agreement remains in full force and effect;

SSG or STEP shall use commercially reasonable efforts to cooperate with the Seller to reduce or eliminate any such withholding requirement with respect to amounts payable to the Seller or its equityholders. To the extent that such amounts are so withheld or paid over to or deposited with the relevant Governmental Authority by or on behalf of SSG or STEP, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the applicable Person in respect to which such deduction and withholding was made.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF STEP, SSG AND SSE

Each of STEP, SSG and SSE represents and warrants to the Seller as follows:

4.1 Organization; Good Standing; Power. Each of STEP, SSG and SSE has been duly organized and is validly existing and in good standing under the Laws of its respective jurisdictions of organization. Each of STEP, SSG and SSE has all requisite power and authority to enter into this Agreement, the Registration Rights Agreement and any other documents to be entered into by STEP, SSG or SSE in connection with the Transactions.

4.2 Required Consents; Authority. All consents, approvals, authorizations and orders necessary for the execution and delivery by STEP, SSG and SSE of this Agreement, the Registration Rights Agreement and any other documents to be entered into by SSE, SSG and STEP in connection with the Transaction, including the delivery of the Consideration Securities and any cash consideration amount by STEP hereunder, have been obtained (except for anything set forth in Section 2.1) except where the failure, individually or in the aggregate, would not reasonably be expected to impair SSE's, SSG's and STEP's ability to consummate the transactions contemplated hereby and thereby; and SSG has full right, power and authority to enter into this Agreement and the Registration Rights Agreement and to sell, assign, transfer and deliver the Consideration Securities to be exchanged by SSG hereunder. or SSE in connection with the Transactions have been duly authorized by each of STEP, SSG and SSE. At a meeting duly called and held, the STEP Board has (i) determined that this Agreement, the Registration Rights Agreement and any other documents to be entered into by STEP, SSG or SSE in connection with the Transactions are fair to and in the best interests of STEP's stockholders, (ii) approved, adopted and declared advisable this Agreement, the Registration Rights Agreement and any other documents to be entered into by STEP, SSG or SSE in connection with the Transactions, (iii) resolved to recommend the approval of the Transactions by the stockholders of STEP (such recommendation, the "STEP Board Recommendation") and (iv) directed that the approval of the Transactions be submitted to a vote of STEP's stockholders, each of which resolutions has not been rescinded, modified or withdrawn as of the date of this Agreement. The affirmative vote (in person or by proxy) of the holders of a majority of STEP's shares of common stock, voting together as a single class, that are present at a meeting where holders of a majority of the voting power of the stock outstanding and entitled to vote are present, is the only vote of the holders of any class or series of capital stock of STEP necessary to obtain the STEP Stockholder Approval and Nasdaq Approval. STEP has taken and will take all such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions or dispositions of equity securities of STEP (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of STEP for such purposes that result from the transactions contemplated by this Agreement, by each director or officer of STEP (including directors-by-deputization) who may reasonably be expected to be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to STEP upon the registration of any class of equity security of STEP pursuant to Section 12 of the Exchange Act.

4.3 No Conflicts. The execution, delivery and performance by each of STEP, SSG and SSE of this Agreement, the Registration Rights Agreement and the other documents to be entered into by STEP, SSG or SSE in connection with the Transactions, including the sale of the Consideration Securities to be sold by SSG and the consummation by each of STEP, SSG and SSE of the transactions contemplated hereby and thereby will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination, modification or acceleration of, or result in the creation or imposition of any lien, charge or encumbrance upon any property, right or asset of STEP, SSG or SSE pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which STEP, SSG or SSE is a party or by which STEP, SSG or SSE is bound or to which any of the property, right or asset of STEP, SSG or SSE is subject, (ii) result in any violation of the provisions of the charter or by-laws or similar organizational documents of STEP, SSG or SSE, or (iii) result in the violation of any Law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory agency, except in the case of clauses (i) and (iii) as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of STEP, SSG and their respective subsidiaries, taken as a whole.

4.4 Title to Consideration Securities. The Consideration Securities, when delivered on a Closing Date pursuant to an Exchange, shall be duly authorized and validly issued. Following the delivery of the Consideration Securities pursuant to Section 1.1(b), the Seller shall acquire good and valid title to the applicable portions of the Consideration Securities, free and clear of all liens, encumbrances, equities or adverse claims other than liens, encumbrances, equities or adverse claims to which the Consideration Securities are subject under applicable securities Laws, under the SSG LPA, the Registration Rights Agreement (as applicable), STEP's organizational documents, SSE's organizational documents, or any other similar governance agreements regarding such Consideration Securities, or created by the Seller.

ARTICLE VI SECURITIES LAWS COMPLIANCE COVENANTS

6.1 Restricted Securities. The Seller understands that the Offered Securities will be characterized as “restricted securities” under the U.S. federal securities Laws inasmuch as they are being acquired pursuant to an exemption from registration under the Securities Act and, accordingly, such securities may be resold only pursuant to an exemption from registration under the Securities Act or pursuant to a registration under the Securities Act. The Seller understands that neither SSG nor STEP is under any obligation to register the Offered Securities, except as shall be provided for in the Registration Rights Agreement. It is understood that the certificates evidencing the Offered Securities may bear a private placement legend substantially in the form set forth below:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT.”

ARTICLE VII OTHER COVENANTS OF THE PARTIES

7.1 Required Regulatory Approvals; Efforts.

(a) STEP and SSG shall use their commercially reasonable efforts to obtain or cause to be obtained all Required Regulatory Approvals (including the HSR Approval) and any other licenses, permits, authorizations, consents and approvals of all third parties and Governmental Authorities necessary in connection with the consummation of the transactions contemplated by this Agreement. The Parties hereto shall coordinate and cooperate with each other in exchanging such information and assistance as any of the Parties hereto may reasonably request in connection with the foregoing. Notwithstanding anything in this Agreement to the contrary, in no event shall STEP, SSG or any of their respective Affiliates be obligated to (i) undertake or commit or agree to undertake, by consent decree, hold separate order or otherwise the sale, lease, license, divestiture or disposition of any asset of STEP, SSG or any of their respective Affiliates (including the Exchanged Securities after giving effect to the Transactions), or (ii) offer, accept, agree, commit to, or consent to, any material undertaking, term, condition, liability obligation, commitment or other measure.

(b) STEP shall set a record date for, duly give notice of, convene and hold a meeting of the stockholders of STEP to obtain any stockholder approval required under STEP's governance documents or any applicable Law in favor of the adoption of this Agreement, the Transactions and the relevant Exchanges, and the issuance of the STEP Class A Common Stock contemplated hereunder (the “STEP Stockholder Approval”) as soon as practicable after the date hereof. STEP shall include the STEP Board Recommendation in the proxy statement filed with the U.S. Securities and Exchange Commission (the “SEC”) by STEP and shall solicit, and use commercially reasonable efforts to obtain from STEP's stockholders, the STEP Stockholder Approval at such meeting. STEP shall use commercially reasonable efforts to file a preliminary proxy statement relating to the STEP Stockholder Approval with the SEC as soon as practicable following the date hereof, and as promptly as

practicable after the date on which STEP learns that such proxy statement will not be reviewed or that the SEC staff has no further comments thereon, duly call, give notice of, convene and hold a meeting of its stockholders for the purpose of obtaining the STEP Stockholder Approval, file a definitive proxy statement with respect to the STEP Stockholder Approval and disseminate such proxy statement in accordance with applicable law.

(c) STEP shall use commercially reasonable efforts to obtain any required approval from the Nasdaq Stock Market with respect to this Agreement, the Transactions and the relevant Exchanges (the "Nasdaq Approval").

(d) In fulfilling SSG's and STEP's obligations pursuant to this Section 7.1, the Asset Class Head and the Seller shall cooperate in good faith with SSG and STEP to (A) prepare and make or file any Required Regulatory Approvals, (B) effect all necessary filings, applications, registrations, consents and authorizations and execute all agreements and documents, (C) use reasonable best efforts to obtain the transfer or reissuance to SSG or STEP of, and participate in discussion with respect to, all necessary permits, consents, approvals and authorizations of all Governmental Authorities, (D) if necessary, execute a common interest agreement, and (E) use reasonable best efforts to obtain all necessary consents, approvals and authorizations of all third Persons, in the case of each of the foregoing clauses (A), (B), (C), (D), and (E) necessary to consummate the Transactions. Each Party hereto shall keep the other apprised in a prompt manner of the status and substance of any communications with, and inquiries or requests for additional information in connection with any Required Regulatory Filings or from any Governmental Authority in connection with the Transactions.

(e) STEP shall use commercially reasonable efforts to cause the parties other than the Seller necessary for the Registration Rights Agreement (as contemplated to be amended pursuant to this Agreement) to be effective to execute the Registration Rights Agreement before the Closing of the first Exchange.

7.2 Tax Matters.

(a) Intended Tax Treatment. For U.S. federal income and other applicable tax purposes, the Parties shall treat (a) each Exchange as a taxable exchange under Section 1001 of the Code, and (b) any adjustments between the Reference Date and Closing Date as an adjustment to the amount realized in the Exchange, unless in each case otherwise required by applicable law, as determined by SSG or STEP in its reasonable discretion. For U.S. federal income and other applicable tax purposes, and unless otherwise determined by SSG or STEP in its reasonable discretion, STEP is treated as contributing the Consideration Securities to SSG for a like number of Class A Units of SSG, and subsequently SSG is treated as conveying the Consideration Securities to the Seller.

(b) Tax Information. The Seller agrees to furnish to StepStone such tax-related information, documentation, certifications and representations as StepStone or its agents may from time to time reasonably request to comply with any legal, regulatory and tax (including withholding tax) requirements, including FATCA, as well as any informational reporting, disclosure or other similar requirements.

7.3 Public Announcements. The Seller shall not make or issue any report, statement or press release or otherwise make any other public statement with respect to this Agreement and the Transactions without prior written approval of SSG. Each of STEP and SSG shall be entitled to make any report, press release or public statements with respect to this Agreement or the Transactions.

7.4 Reasonable Best Efforts. Subject to the terms and conditions of this Agreement, each of the Parties hereto shall (i) use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate the transactions contemplated by this Agreement and (ii) refrain from taking any actions that could reasonably be expected to impair, delay or impede the transactions contemplated by this Agreement.

7.5 Acknowledgment. The Asset Class Head and the Seller shall use such Party's respective best efforts to obtain a fully executed Acknowledgment from each SCP Partner as promptly as possible (and in any event within thirty (30) days after the date of this Agreement).

7.6 Limits on Transfer of Class A Common Stock. Other than to effect the SCP Distributions contemplated hereby, the Seller agrees not to Transfer all or any portion of the shares of Class A Common Stock received as Consideration Securities (or beneficial interest therein), without the consent of STEP and in accordance with applicable STEP policies, except that the Seller may:

(a) after six months and until the first anniversary after the Closing Date pursuant to which the shares of Class A Common Stock are issued, Transfer up to a cumulative number of such shares of Class A Common Stock equal to (i) (x) 50% of the Adjusted Exchange Value, *less* (y) the cash amount delivered in such Exchange, *divided by* (ii) the STEP 30-Day VWAP, in each case as calculated for such Exchange;

(b) after the first anniversary after the Closing Date pursuant to which the shares of Class A Common Stock are issued, all of such shares of Class A Common Stock may be Transferred;

(c) if an Exchange constitutes an Acceleration Exchange, then in lieu of clauses (a) and (b):

(d) provided, that (x) the shares of Class A Common Stock delivered with respect to an Upward Adjustment Amount, Upward Acceleration Exchange Adjustment Amount or Holdback will not be subject to the limitations above and may be Transferred at any time after delivery of such shares of Class A Common Stock to the Seller; and (y) the STEP Board (or a committee to which the STEP Board has delegated such authority) may, in its sole discretion and subject to conditions, release all or a portion of such shares of Class A Common Stock from the foregoing restriction.

7.7 SPD Name Change. Each of the Seller and SPD undertakes to STEP and SSG to effect a change in name of SPD to StepStone Group Private Debt AG, or such other name as agreed by SSG in its sole discretion, and to use its best efforts to effect such change in name on or before the First Exchange.

7.8 SCP Participations. Jointly with the delivery of the corresponding Allocation Notice for every Closing after the first Closing in accordance with Section 1.9, the Seller shall deliver to SSG an updated SCP Capitalization Table, which shall accurately reflect the equity and debt capitalization of the Seller as of such date, the SCP Participations held by each SCP Partner, and noting any transfers of SCP Participations that occurred since the previous update of the SCP Capitalization Table.

(b) if any Closing shall not have occurred on or before the first (1st) anniversary of the Reference Date for an Exchange (other than a Skipped Exchange) (each, an “Applicable Outside Date”), by either SSG or the Seller, with an SCP Partner Majority; provided, however, that SSG or the Seller, as the case may be, shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if a breach or failure to perform by the Asset Class Head or the Seller (in the case of termination by the Seller with an SCP Partner Majority) or SSG (in case of termination by SSG) of any of its representations, warranties, covenants or obligations contained in this Agreement was the primary cause of, or primarily resulted in, the failure of a condition to consummate such Closing on or before the Applicable Outside Date.

8.2 Procedure and Effect of Termination.

(a) Any Party desiring to terminate this Agreement pursuant to Section 8.1 shall give written notice of such termination to the other Parties to this Agreement. Except as set forth in this Section 8.2, in the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to this Section 8.2, (i) each Party’s representations and warranties shall survive any such termination of this Agreement for two (2) years and (ii) that the foregoing termination shall not relieve the Seller of any liability, damages or losses resulting from any fraud or any willful and material breach of any of its representations, warranties, covenants or agreements set forth in this Agreement. For purposes of this Agreement, “willful and material breach” shall mean any deliberate act or failure to act, which act or failure to act constitutes in and of itself a material breach of this Agreement, regardless of whether breaching was the conscious object of the act or failure to act.

(b) In the event this Agreement is terminated pursuant to Section 8.2, all filings, applications and other submissions made by any party hereto to any Person, including any Governmental Authority, in connection with the transactions contemplated hereby shall, to the extent practicable and not legally prohibited, be withdrawn from such Person by such party.

ARTICLE IX MISCELLANEOUS

9.3 [Annexes, Exhibits and Schedules](#). Any matter, information or item in any Annexes, Exhibits and Schedules attached hereto are hereby incorporated in and made a part of this Agreement as if set forth herein.

9.4 [Amendment, Modification and Waiver](#). This Agreement or any portion thereof, including any Annexes and Exhibits, may be amended, modified or supplemented by written agreement signed by STEP or SSG on the one hand, and by the Seller or Asset Class Head, on the other hand; provided. Any failure of the Seller or the Asset Class Head to comply with any term or provision of this Agreement may be waived by SSG or STEP, and any failure of SSG or STEP to comply with any term or provision of this Agreement may be waived by the Seller or the Asset Class Head, at any time by an instrument in writing signed by or on behalf of such other party, but such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply. Further, neither the waiver by any of the Parties hereto of a breach of or a default under any of the

provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder. Each Party agrees that, to the extent all or a portion of this Agreement is amended, modified, supplemented or waived pursuant to the terms of this Section 9.4, such amendment, modification, supplement or waiver shall be binding on such Party, regardless of whether such Party provided consent to such amendment, modification, supplement or waiver (except if such consent is expressly required pursuant to this Section 9.4).

9.5 Entire Agreement. This Agreement, and the annexes, exhibits, schedules and other documents referred to herein which form a part hereof contain the entire understanding of the Parties hereto with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, oral and written, with respect to its subject matter.

9.6 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid. If any term or other provision of this Agreement for any reason is declared invalid, illegal or unenforceable, such decision shall not affect the validity or enforceability of any of the other provisions of this Agreement, which other provisions shall remain in full force and effect and the application of such invalid or unenforceable provision to Persons or circumstances other than those as to which it is held invalid, illegal or unenforceable shall be valid and be enforced to the fullest extent permitted by applicable Law.

9.7 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of Law or otherwise, by any Party without the prior written consent of SSG or STEP (in the case of an assignment by the Asset Class Head or the Seller) or the Asset Class Head (in the case of an assignment by SSG or STEP), and any such assignment without such prior written consent shall be null and void; provided, however, that SSG and STEP each may assign in whole or a part of this Agreement to any Affiliate without the prior consent of any other Party to this Agreement; provided further, that no assignment shall limit the assignor's obligations or liabilities hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

9.8 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties to this Agreement and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

9.9 Fees and Expenses. Whether or not the transactions contemplated hereby are consummated pursuant hereto, the fees and expenses associated with amending the governance documents of SPD and SCP (including without limitation, the SPD Shareholders' Agreement and the SCP LPA), and the fees and expenses associated with negotiating and consummating the transactions contemplated by this Agreement, the Other Transaction Agreements, the indicative term sheet setting forth the terms of this Agreement and the Other Transaction Agreements, structuring the transactions contemplated hereby and thereby, and amending the governance documents of each of SRE, SIRA and SPD to reflect the governance changes in connection with entering into the transactions contemplated by this Agreement and the Other Transaction Agreements, shall be pooled and shall be borne 50% by SSG, one-sixth by SPD, one-sixth by SIRA, and one-sixth by SRE. Each Party hereto shall pay all other fees and expenses incurred by it or on its behalf in connection with the consummation of the transactions contemplated hereby. For the avoidance of doubt, the amount of the fees and expenses paid or payable by any party pursuant to this Section 9.9 shall be treated as transaction expenses and not reflected in any calculation hereunder of budgeted or actual adjusted net income of any party.

9.10 Counterparts. This Agreement may be executed in two or more counterparts (delivery of which may be via email as a portable document format (.pdf)), each of which will be deemed an original, and it will not be

necessary in making proof of this Agreement or the terms of this Agreement to produce or account for more than one (1) of such counterparts.

9.11 Interpretation. The article and section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the Parties and shall not in any way affect the meaning or interpretation of this Agreement. The words “include,” “includes” and “including” are deemed to be followed by the phrase “without limitation.” The words, “herein,” “hereto,” “hereof” and words of similar import refer to this Agreement as a whole, including any annexes, schedules and exhibits hereto, and not to any particular section, subsection, paragraph, subparagraph or clause contained in this Agreement. References in this Agreement to Sections and Section numbers are to Sections and Section numbers of this Agreement unless the context otherwise specifies or requires. The words “party” or “parties” shall refer to parties to this Agreement. References from or through any date mean, unless otherwise specified, from and including or through and including, respectively. The words “dollar” or “\$” shall mean U.S. dollars. The word “day” means calendar day unless Business Day is expressly specified. Any reference to the masculine, feminine or neuter gender shall include such other genders and any reference to the singular or plural shall include the other, in each case unless the context otherwise requires. If any action under this Agreement is required to be done or taken on a day that is not a Business Day, then such action shall be required to be done or taken not on such day but on the first succeeding Business Day thereafter. The provisions of this Agreement shall be construed according to their fair meaning and neither for nor against any party hereto irrespective of which party caused such provisions to be drafted. Each of the Parties acknowledges that it has been represented by counsel in connection with the preparation and execution of this Agreement.

9.12 Enforcement of Agreement. Each Party agrees that irreparable damage may occur in the event that the parties hereto do not perform the provisions of this Agreement in accordance with the specific terms thereof or otherwise breach such provisions, and that money damages may not be an adequate remedy, even if available. The Parties hereto accordingly agree that, prior to the valid termination of this Agreement pursuant to Article VIII, each Party shall be entitled to specific performance of the terms hereof, including an injunction or injunctions, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, as applicable, in a court determined pursuant to Section 9.13, this being in addition to any other remedy to which they are entitled at law or in equity. Each Party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such Order.

9.13 Forum; Service of Process. Each Party hereto submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or, if such court does not have jurisdiction, any other state or federal court located in the State of Delaware, in any action or proceeding arising out of or relating to this Agreement, and agrees that all claims in respect of the action or proceeding may be heard and determined in any such court and agrees not to bring any action or proceeding arising out of or relating to this Agreement in any other court. Each Party hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Each Party hereto agrees that service of summons and complaint or any other process that might be served in any action or proceeding may be made on such party by sending or delivering a copy of the process to the party to be served at the address of the party and in the manner provided for the giving of notices in Section 9.2; provided, however, that nothing in this Section 9.13 shall affect the right of any party to serve legal process in any other manner permitted by Law. Each Party hereto agrees that a final, non-appealable judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law.

9.14 Governing Law. This Agreement shall be governed by the Laws of the State of Delaware, excluding choice of law principles that would require the application of the Laws of a jurisdiction other than the State of Delaware.

9.15 WAIVER OF JURY TRIAL. TO THE FULLEST EXTENT PERMITTED BY LAW, THE PARTIES HERETO HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS TRANSACTION. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THE PARTIES HERETO ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. THE PARTIES HERETO FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH ITS, HIS OR HER, AS THE CASE MAY BE, LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

The Asset Class Head is the representative of the Seller and its attorney-in-fact with full power of substitution to act on behalf of the Seller to the extent and in the manner set forth in this Agreement and any other documents in connection with the Transactions (the "Asset Class Head"). Except for the Stockholders Agreement and this Agreement, the Company Shares are not subject to any voting trust agreement or other contract to which the Class B Committee is a party restricting or otherwise relating to the voting or transfer of the Company Shares. The Class B Committee has not appointed or granted any proxy or power of attorney that is still in effect with respect to any Company Shares, except as contemplated by this Agreement.

(b) The Class B Committee has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance of this Agreement by the Class B Committee, the performance by the Class B Committee of its obligations hereunder and the consummation by the Class B Committee of the transactions contemplated hereby have been duly and validly authorized by the Class B Committee and no other actions or proceedings on the part of the Class B Committee are necessary to authorize the execution and delivery by the Class B Committee of this Agreement, the performance by the Class B Committee of its obligations hereunder or the consummation by the Class B Committee of the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Class B Committee and, assuming due authorization, execution and delivery by the Company, constitutes a legal, valid and binding obligation of the Class B Committee, enforceable against the Class B Committee in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors’ rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(c) (i) Except for the applicable requirements of the Exchange Act, no filing with, and no permit, authorization, consent or approval of, any Governmental Authority is necessary on the part of the Class B Committee for the execution, delivery and performance of this Agreement by the Class B Committee or the consummation by the Class B Committee of the transactions contemplated hereby and (ii) neither the execution, delivery or performance of this Agreement by the Class B Committee nor the consummation by the Class B Committee of the transactions contemplated hereby nor compliance by the Class B Committee with any of the provisions hereof shall (A) result in any breach or violation of, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on such property or asset of the Class B Committee pursuant to, any contract to which the Class B Committee is a party or by which the Class B Committee or any property or asset of the Class B Committee is bound or affected or (B) violate any order, writ, injunction, decree, statute, rule or regulation applicable to the Class B Committee or any of the Class B Committee’s properties or assets except, in the case of clause (A) or (B), for breaches, violations or defaults that would not, individually or in the aggregate, materially impair the ability of the Class B Committee to perform its obligations hereunder.

(d) As of the date of this Agreement, there is no action, suit, investigation, complaint or other proceeding pending against the Class B Committee or, to the knowledge of the Class B Committee, any other Person or, to the knowledge of the Class B Committee, threatened against the Class B Committee or any other Person that restricts or prohibits (or, if successful, would restrict or prohibit) the exercise by the Class B Committee of its rights under this Agreement or the performance by any party of its obligations under this Agreement.

No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder. Any agreement on the part of a party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by such party.

12. Entire Agreement. This Agreement and the Transaction Agreements (including any annexes, schedules and exhibits thereto) constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings between the parties with respect to the subject matter hereof and thereof.

13. Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware. Each of the parties hereto agrees that this Agreement involves at least \$100,000 and that this Agreement has been entered into in express reliance upon 6 Del. C. § 2708. Each of the parties hereto irrevocably and unconditionally confirms and agrees that it is and shall continue to be (a) subject to the jurisdiction of the courts of the State of Delaware and of the federal courts sitting in the State of Delaware, and (b) subject to service of process in the State of Delaware.

14. Submission to Jurisdiction; Waiver of Jury Trial. To the fullest extent permitted by law, each party hereto hereby irrevocably and unconditionally (i) consents and submits to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery (or, if the Delaware Court of Chancery declines to accept jurisdiction over any matter, any federal or state court located in the State of Delaware) (the “Delaware Courts”) for any actions, suits or proceedings arising out of or relating to this Agreement or the transactions contemplated by this Agreement (and agrees not to commence any litigation relating thereto except in such courts), (ii) waives any objection to the laying of venue of any such litigation in the Delaware Courts and agrees not to plead or claim in any Delaware Court that such litigation brought therein has been brought in any inconvenient forum, (iii) acknowledges and agrees that any controversy that may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising or relating to this Agreement or the transactions contemplated by this Agreement, and (iv) agrees to service of process upon such party in any such action or proceeding shall be effective if such process is given as a notice in accordance with Section 13 or in any manner prescribed by the Laws of the State of Delaware.

15. Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party without the prior written consent of all other parties, and any such assignment without such prior written consent shall be null and void; provided, however, that no assignment shall limit the assignor’s obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

16. Enforcement. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties hereto shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Delaware Courts, this being in addition to any other remedy to which such party is entitled at law or in equity. To the fullest extent permitted by law, each of the parties hereto hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

17. Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

20. No Presumption Against Drafting Party. Each of the parties to this Agreement acknowledges that it has had the opportunity to be represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement.
